

Casual city aesthetic in melamine

Inspired by the desire to carry like-patterns through various materials, Creations Melamine introduces Urban, a play on the original Steelite Performance Urban but with a melamine body. This exciting offering allows operators to extend their dining room foodservice presentation to outdoor rooftops and poolside dining, for that extra level of durability and style. With its defining features of a bold black rim and random flecks throughout, Urban melamine is available in two colors: Smoke and Snow.
