

The Pan Stops Here.

Click or Scan
for more
Information.

Pan Stop - "PS"
Prevents pans from
sliding through.

Consider The Options

Take your standard rack to the next level by adding different options. Select one or several of our many Pan Rack Options to customize your rack to meet your needs.

Caster Locks - "CL"
Two caster locks
keep the rack in
place.

Perimeter Bumper - "PB"
Soft rubber bumper
secured to the
perimeter of the base.

Rack Cover - #1359
Vinyl cover with three
zippers for end and
side loading racks.
