## Affordable, no-compromise carpet for large-scale projects

FloorEXP's versatile Plush carpet is the favorite choice for all types of events, including red carpet Hollywood movie premieres and exclusive corporate functions. Its affordability makes it perfect for when you quickly need to cover large areas on a tight budget, but still need the plush look and feel required for high-end events.

The cut-pile carpet design has a twist in the yarn, and features our woven Action Back™ carpet backing that helps to eliminate wrinkling and allows for quicker, easier installs.

FloorEXP specializes in large-scale projects, and has the experience to manage complex installations and tight deadlines of highly visible events: we love a challenge! If you can't find exactly what you need to match the decor of your event from our standard colors, we can even create a custom color to match your brand's PMS color!
