*Shown with Wave Back

Our exceptional variety offers design flexibility to achieve the desired look and to stay in budget. Designed and manufactured for use in high traffic areas. We pride ourselves in providing customers with high quality furniture that withstands the rigors of commercial use.

Quick-Ship Booths can be configured to achieve many layouts such as corner or U-Booths. With our extensive experience, we will advise on the best layout(s) to suit your individual space. Our commitment extends to delivering premium American-made furniture of the utmost quality. With an industry-leading **5-year warranty on frames and springs**, we ensure long-lasting satisfaction of our products.
