

### 0795 Extreme Softshell Bib Overalls

These bibs can handle whatever abuse the day holds. They feature abrasion-resistant patches on knees and heels, high torso coverage and protection from the harshest temps.

When paired with 0790, meets EN 342:2017 Protective Clothing Protection Against Cold: 0.455(B) | 3 | X

Black | S-5XL | 0795 |

### 0797 HiVis Extreme Softshell Bib Overalls

These ANSI Class E bibs offer warmth down to -60°F. Take your protection to the extreme with abrasion-resistant knee patches, high torso coverage, and adjustable waist and suspenders.

Lime/Black | S-5XL | 0797

### 7354 54 Gold Bib Overalls

These overalls raise the bar for comfort with a super warm lining and lightweight insulation—a combination that protects well below zero without being bulky. With Performance-Flex at the knees for better movement, you're set to tackle your to-do list all in one warm, durable pair of overalls.

Dark Green | Navy | S-5XL | 7354

### 0385 Iron-Tuff® Bib Overalls

The high front and back on these heavy duty bibs maximize coverage while adjustable industrial-strength 2" elastic suspenders ensure you get the most comfortable fit.

When paired with 0322 or 0358, meets EN 342:2017 Protective Clothing - Protection Against Cold: 0.430(B) | 3 | X

Navy | Sage | S-5XL Short, XS-5XL Regular, M-5XL Tall | 0385

**BETTER & BRIGHTER**

The new reflective stripe added to straps for improved safety.

### 8086 ErgoForce® Waterproof Low Bib Overalls

When you're knee deep in the cold mud, there's no going back. These tough bib overalls are designed for maximum comfort on rough jobs with a better fit and range of motion. Stay warm and dry with 100% waterproof protection.

Black | S-4XL  
8086 |

### 7250 Freezer Edge® Bib Overalls

You still need to get the job done—for the boss, for yourself or for whoever needs you today, even when it's frigid. Get lasting protection with Freezer Edge® Bib Overalls, featuring draft protection and heavy-duty durability.

Gray/Lime | S-5XL  
7250 |

### 7120 Frostline® Bib Overalls

Precision work in subzero temps? Bulky gear makes a tricky job even harder. Luckily, you can reach for these bibs with Performance-Flex, so you can work without added weight or restricted movement.

Meets EN 342:2017 Protective Clothing – Protection Against Cold:  
0.326(B) | 2 | X when paired with 8120  
0.365(B) | 2 | X when paired with 8420

Black/Blue | S-5XL  
7120 |

There is nothing tougher, lighter or warmer than our AirBlaze® insulation. This eco-friendly insulation, made from sustainable materials, provides all the warmth at half the weight – so you can work harder in colder conditions.

#### Performance-Flex

More mobility and flexibility thanks to the ribbed design on side and knees that expands as you stretch and bend.
