A Canvas for Chefs

Matte stoneware, metal & wood accessories to create a unique look in a variety of cuisines.

A collection that is perfect for casual, trendy, eclectic customers looking for product that will help them transform their menu into an event that encompasses more than the ingredients. The sum of all parts will elevate the occasion by immersing the diner into a full-scale experience of flavors, aromas, colors, lighting, sounds and shared moments.

ABOUT

Santa Anita is a ceramic leader in Mexico. With over 30 years of experience, Santa Anita has been a leading brand of high-quality stoneware products. With a monthly capacity of 2.1 million pieces and with 400 employees working to provide the best stoneware, Santa Anita is a great choice.

A close-up photograph of two sliders on a wooden cutting board. The sliders are made with brioche buns, a meat patty, cheese, and toppings. They are garnished with a small sprig of green herbs. In the background, there are other dishes, including a bowl of yellow sauce and a bowl of green salad.

Create traveling **experiences**
through *taste*.

A photograph showing a bowl of salad with sliced avocado, tomatoes, and green onions. Next to the bowl are two empty, dark-colored plates. The background is a dark, textured surface.

Whether serving Tapas,
Dim Sum, Meze or
Banchan, or ingredient
specific menus like
seafood or plant-based,
Reflections has all the
elements needed to
construct a memorable
meal.

Reflections is a collection perfectly adaptable to a variety of cuisines like Asian, Latin American, and Mediterranean to name a few. The possibilities are defined by *the Chef's imagination.*
