

Skip the straw!

Prima™ Clear Strawless Lids for Plastic Cold Cups

Looking to go strawless? Prima™ strawless lids are the perfect solution for serving eco-friendly, straw-free cold drinks. The unique contoured design offers a great drinking experience with a smooth beverage flow for a variety of cold beverages. Prima™ lids are compatible with both Solo® Ultra Clear™ PET and Conex® ClearPro® PP cups. One lid fits the five most popular cold cup sizes, reducing inventory and increasing operational efficiencies!

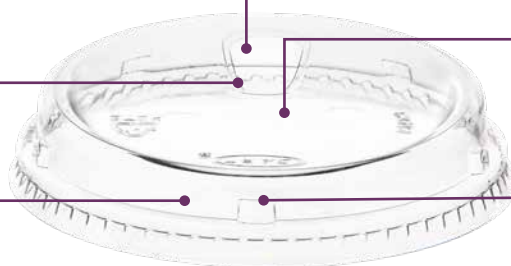

Features

Specially designed sip hole
allows liquid to flow while holding ice cubes back to enhance beverage experience

Recessed sip hole
Provides drinking comfort by eliminating sharp edges

Elevated platform
Allows extra room for foam and toppings; ideal for gourmet beverages like nitro coffee

Strawless design
Perfect alternative to plastic straws.

Angled reservoir
Contains spills on the lid and diverts liquids back into the cup

Separation lugs
Allows for easy, one hand separation of lids

Made of recyclable PET
Crystal clear and resists cracks for an irresistible product presentation
