

Venice

COLLECTION

Designed for an elevated dining experience, the Spring USA Venice Collection effortlessly blends style and performance. The first cookware + buffetware in one, Venice professional servingware combines the function of cookware and chafing dish with optional inserts. Constructed of premium, high-quality materials with a chic pattern finish, Venice is the premium choice for restaurants, hotels/ resorts, casinos, stadiums/ arenas, catering events, or any other premium buffet environment.

Features:

- Cookware & buffetware in one! Optional inserts maximize serving space, streamline replenishment, reduce storage needs, and elevate your presentation
- Safe for use with induction, electric, sterno, or stove top
- FOREVER CHEMICAL FREE - No PFOS, PFOA, or PTFE (Teflon)
- Stylish textured patterns in matte white or gray
- Glass dome cover included for an elegant presentation
- Transfers and retains heat evenly without hot spots
- Antimicrobial brushed solid brass accents and breathable handles
- Use of nylon/wood utensils is recommended for warranty coverage

Limited Lifetime Warranty:

All Spring USA chafers & cookware are constructed of premium, high-quality materials and are designed to retain their original performance and luster. That's our guarantee and we back it by a limited lifetime warranty. Visit springusa.com/ warranty for full details & restrictions.

ENGINEERED FOR EVERY SERVICE STYLE

Crafted by the trusted name in professional cookware and servingware, the Venice Collection combines the function of cookware and a chafer in one stylish solution.

Optional insert capability transforms your cookware into a traditional chafer—without the bulk or excess waste—helping you minimize food waste, maximize serving space, streamline replenishment, reduce storage needs, and elevate your presentation.

4 QT insert (#370-90-28) for 7.4 QT dishes
2 QT insert (#371-90-28) for 4 QT dishes

BUILT TO LAST

Featuring durable cast aluminum, antimicrobial brushed brass accents, and a textured ceramic coating, the Venice offers a safe, stylish alternative to traditional nonstick cookware—delivering exceptional performance while remaining lighter than cast iron.
