

HYDRATE YOUR LIFESTYLE® ELECTROLYTE REPLENISHMENT

For over 45 years, the Sqwincer brand has proudly fueled individuals with electrolytes. Millions of industrial athletes across the country, in plants and factories everywhere, depend on it. Their strenuous environments are credited for the innovative portfolio of products, dispensing options and formulations that Sqwincer developed over the years.

Sqwincer products are scientifically formulated with a unique electrolyte composition of potassium and low sodium to rehydrate and replenish the body. They are dedicated to providing consumers electrolyte choices that fit their lifestyle and dietary preference. Since 1975, it was obvious to evolve with the needs of customers by expanding on the original formula.

The Sqwincer brand offers three unique electrolyte formulas to meet the needs of diverse individuals:

- Sqwincer® original
- Sqwincer® ZERO
- EverLyte®

Each formula is offered in multiple hydration options: powder or liquid concentrates, ready-to-drink, liquid or powder single serve. The Sqwincer brand is most noted for its famous electrolyte freeze pops - Sqwincer Squeeze®. No matter which formula you choose, you can count on great tasting electrolytes to replenish and rehydrate.
