

When choosing a trimmer, consider:

Cutting Method

ROTARY AND FIXED BLADE

The ultimate in portability and precision with the flexibility of different cutting styles.

GUILLOTINE TRIMMERS

Cut high-volume, high capacity, large format or thicker materials.

Environment

Shared Workspaces:
moderate to frequent usage

Look for:

- Durable, heavy duty construction
- Solid wood or durable metal base
- Highest sheet capacity
- Largest cutting surface

Personal:
occasional to moderate usage

Consider:

- Plastic or wood construction
- Sheet capacity and usage
- Single or multiple cutting styles

Portable:
occasional and on-the-go usage

Choose:

- Lightweight options
- Small models
