Wafer Seals for Tach-It Machines

Wafer Seals are clear round labels used to securely seal boxes, mailers and envelopes.

Tach-It Wafer Seals are designed and manufactured to work with Tach-It Wafer Seal applicators including our models: 6500-TL, 6510-TL, Mini-Con L, and Mini-Con L-80 machines.

- 2 mil clear Polypropylene wafer seals.
- Stocked in 1 inch diameter and 1 ½ inch diameter. Supplied on a 3" core.
- Other diameters and sizes available on a custom order basis.
- These labels adhere immediately and are hard to peel off.
- Adhesive is rubber based high tack all temperature with permanent adhesion.
 - o Can be used in freezer applications with no problems.
 - o Optimum cold performance.
 - o Can be stored in -65 degrees to 160 degrees F.
 - o Shelf Life 2 years when stored at right temperatures.
- Rated for food - Food compliant - 21 CFR 175.105
