

## Imperial/Regal Shelving & Fixed Shelf Filing

## Imperial Shelving

1. **Expandability**  
Attach any number of add-on units with "T" posts to create a continuous row of files
2. **Pre-configured Units**  
Individual units are available in 76" and 88" heights and widths of 36" in letter and legal depth and 48" in letter depth only. Everything you need is packaged in one or two cartons.
3. **Super Strong Framework**  
Steel shoulder rivets, combined with steel uprights and shelf supports, offer up to 400 lbs. capacity per shelf, depending on size.
4. **Large, Adjustable Dividers with Backstop**  
Extra-large 7½" high by 10½" deep shelf dividers adjust in 2" increments and keep folders upright, while backstop keeps folders from falling off shelf.
5. **Easy, Tool-Free Assembly**  
Imperial's unique Keyhole Slot design offers time saving snap-together assembly without tools.
6. **No Sway Braces Required**  
Rigid framework requires no nuts, bolts or sway braces for obstacle-free access to files.
7. **Adjustable Steel Shelves**  
Shelves adjust vertically in 1½" increments to fit your exact requirements.
8. **Double Wall Uprights**  
Double wall post construction conceals the keyhole slots for a clean, attractive appearance. Welded steel panel between posts provides a clean look.
9. **Protect Your Flooring**  
Carpet friendly molded PolyEthylene feet protect your flooring and carpet.

## Versatile Storage Solutions For Your Office

MORE STORAGE IN LESS SPACE

Imperial Shelving saves precious floor space by taking advantage of ample vertical space. Most applications result in space savings of up to 60% – at a fraction of the cost of conventional vertical or lateral drawer files.

DOUBLE ENTRY AVAILABLE FOR EASY ACCESS

Maximize space and efficiency in your office with Tennsco's Imperial Shelving Double Entry Unit. With a center stop, dividers can be placed where needed allowing full access on either side.

EASY ACCESS & VISIBILITY

Filing doesn't have to be a chore. Imperial's large dividers offer the right combination of end tab folder visibility and easy retrieval.

LOOKS GREAT IN ANY DÉCOR

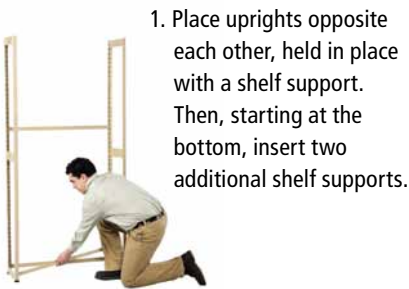

Imperial's unique construction offers a smooth, clean, attractive appearance. Its unique design conceals supports and keyhole slots, while the shelf lip covers the shelf support making it appropriate for any office application.

REFERENCE SHELF ACCESSORY

Create a convenient pull-out work space with our sliding Reference Shelf. (Note: Reduces filing space by 1".)

EASY ASSEMBLY

1. Place uprights opposite each other, held in place with a shelf support. Then, starting at the bottom, insert two additional shelf supports.

2. Lay a shelf over the bottom shelf supports. Then, moving upward, continue to add supports and shelves at each level.

3. Add back stops or center stops before inserting dividers. To add additional sections, use "T" uprights as common center posts and finish the row with "L" uprights. Add shelves as previously installed.

Imperial Shelving Systems

Imperial Shelving is the ideal solution for all your filing needs—especially in the office. Its unique space saving design saves up to 60% floor space when compared to conventional filing equipment.

Imperial Shelving can be used within the office environment anywhere tab filing is used. It makes files more visible when using a color-coding system, and more accessible by keeping them upright and orderly.

Keep Information Private and Secure

Tennsco offers three options to secure business and medical documents. Choose from (A) Hinged Style Locking Doors, (B) Sliding Locking Doors or (C) Rollup Locking Tambour Door. Door options can be added to new or existing installations. Each meets HIPAA\* healthcare privacy regulations for safeguarding personal health information.

## Regal Shelving

1. **Pre-configured Units**

Individual units are 76" high, 36" wide and available in three depths (12", 15", and 18"). Everything you need is conveniently packaged in one carton.
2. **Optional Shelf Divider Kit**

Keep filing materials upright and accessible with this limitlessly adjustable wire divider and backstop.
3. **Double Wall Uprights**

Double wall post construction conceals the keyhole slots for a clean, attractive appearance. Great for offices!
4. **Easy, Tool-Free Assembly**

Regal's unique Keyhole Slot design offers time saving snap-together assembly without tools.
5. **Adjustable Shelves**

Shelves are adjustable in 1½" increments to create custom openings for books, binders, supplies and more.
6. **Wood-Lock Shelves**

Regal shelves incorporate a 30 gram laminate overlay with a light oak finish over ⅝" particle board. Shelves hold up to 600 lbs. per shelf and stand up to almost any storage application.
7. **Obstacle-Free Access**

Regal's framework requires no nuts, bolts, or sway braces offering obstacle-free access from all sides.
8. **Protect Your Flooring**

Carpet friendly molded PolyEthylene feet protect your flooring and carpet.

### EASY ASSEMBLY

1. Place uprights opposite each other, held in place with a shelf support. Then, starting at the bottom, insert two additional shelf supports.
2. Lay a shelf over the bottom shelf supports. Then, moving upward, continue to add supports and shelves at each level.
3. Add extra sections by using "T" uprights as common center posts and finish the row with "L" uprights. Install shelves as before.

### EXCEPTIONAL DURABILITY

No comparable shelving offers greater strength. Regal's unique design creates a framework capable of supporting up to 600 lbs. per shelf.

### VERSATILITY BEYOND COMPARE

Easy adjustability means that Regal Shelving will meet the needs of so many storage applications.

### ATTRACTIVE, YET STRONG

Regal's exceptionally strong wood-look laminated shelves make it a perfect fit in today's business world.

## ACCESSORIES

## Regal Shelving Systems

Regal Shelving offers built-in versatility. Its strength and durability make it useful anywhere in your business— front office, storage rooms or factory.

Unlike lesser made shelving that uses tab connectors, Regal Shelving components snap together with steel shoulder rivets. This added strength makes it sturdy enough for warehouse applications, yet attractive enough for the front office.

# Fixed Shelf Filing Systems

Tennsco's Fixed Shelf File helps take the hassle out of office filing. Whether you're a business or professional practice, you'll really appreciate the convenience and timesaving of a filing unit that requires absolutely no assembly... simply remove from the box and insert the dividers where desired.

Just because Tennsco's Fixed Shelf Filing Unit is convenient doesn't mean that we've spared on features. You'll find solid-steel reinforced construction throughout to assure rigidity. Add adjustable polymer dividers to keep file folders upright and you have a sturdy yet attractive filing unit that will stand up to years of daily use.

## Fixed Shelf Filing

- 1. Premium Finish**  
Attractive yet highly durable powder coat finish ensures years of durability and good looks.
- 2. Movable Dividers**  
Keep file folders organized and upright with adjustable dividers. Each unit is standard with 28 black dividers.
- 3. Optional Slide-Out Posting Shelf**  
Optional slide-out posting shelf offers added workspace when needed.
- 4. Rigid All-Steel Frame & Shelf Construction**  
Welded construction with reinforcing corner gussets and double-wall end panels offer a unit that maintains its rigidity even when fully loaded.
- 5. Space-Saving Profile**  
13½" depth offers maximum filing efficiency especially in tight spaces and hallways. Unit is 78" high and 34½" wide with a clear opening of 9¾" high between each shelf.

### HANDY WORK SURFACE

Optional slide-out posting shelf offers added workspace when needed. Fixed shelves are spaced to allow adding the posting shelf above the third opening.

### EASY ACCESS

Tennsco's Fixed Shelf File offers a flush inside surface so folders don't snag, thereby preventing damage to your materials.
