

TOTAL ROTARY EXTRACTION

T-REX™ Rotary Extractors

Competition is fierce in the world of rotary extractors. It's only natural that you would choose the king of the rotaries, the T-REX™. The T-REX™ line of rotary extractors have been built to get through even the toughest jobs and extract dirt from deep down.

T-REX™ Features:

- 15" cleaning path
- 60-160 RPM
- 6 vacuum slots & solution jets
- Includes built-in carpet cleaning brushes

T-REX™ Jr. Features:

- 12" cleaning path
- 80-180 RPM
- 4 vacuum slots & solution jets
- Includes built-in carpet cleaning brushes
