

Be seen. Be safe.

**Designed for Use in Off-Road Applications Where High Visibility and Durability are Desired**

Engineered to provide safety and protection in the toughest work environments.

- ANSI/ISEA 107 Type 0 Class 1 compliant, 100% waterproof protection
- Icon outerwear is constructed from a polyurethane on 300 denier polyester shell for great wear and durability with inner attachment points on jackets to accommodate SYNC System™ Liners of equivalent size
- Bomber II features 210 denier shell with quilted polyester lining to provide warmth and comfort
- T-shirt features advanced snag resistant polyester material and partially segmented Sawtooth™ reflective tape for additional breathability and reduced heat stress.

**Ideal Applications:** For use in environments where high visibility is desired for wearer safety and comfort.
