UNGER®

Quality Tools for Smart Cleaning™

Indoor Glass Cleaning

A Complete Line For All Glass Cleaning Needs

ungerglobal.com

Safely and Efficiently Clean All Your Indoor Glass

Cleaning professionals face two key challenges when cleaning indoor surfaces such as windows, mirrors and elevators: safety and efficiency. Current window and glass cleaning tools lead to time-consuming and dangerous issues, like re-arranging furniture and reaching high or unusually positioned windows. Unger's line of indoor window and glass cleaning tools increase productivity and safety by eliminating time spent moving furniture or climbing ladders.

STINGRAY
The Ultimate Indoor Cleaning Tool

The Award Winning Choice for Indoor Glass Cleaning

The Unger Stingray Ultimate Indoor Cleaning Tool provides a variety of glass and window cleaning options, while the multiple lightweight extension poles enable you to clean high access areas without the use of ladders!

The cleaning solution is powered by 3M Scotchgard™ Protection, which reduces the need to clean glass as often over time and can clean up to 1600 sq. ft. of windows before replacement.
