VULCAN HEAVY DUTY INSULATED HEATED CABINET

ADVANTAGE

BENEFIT

Heavy duty 20-gauge stainless steel construction inside and out

Fully welded stainless steel frame. Easy to clean, no rusting or pitting, constant holding temperatures.

Longer lasting, lower cost of ownership and better quality food for increased sales.

Top-mounted controls

Ergonomic, easy-to-use controls visible from far away for the most accurate temperature readings.

Allow ultimate ease of use and ensure food is held at safe temperatures for less waste and better food quality.

ENERGY STAR® certified

Uses less energy.

Lower energy bills; may qualify for energy rebates.

Lifetime warranty on heating element

Heating element can be replaced at any time at no cost for the part; far exceeds industry standard warranty of one year.

Lower cost of ownership and increased peace of mind.

Even air distribution

Maintains consistent temperature from top to bottom.

Better food quality and consistency; less food waste.

Vulcan's heavy duty insulated heated cabinets have top-quality, durable construction and superior functionality for ultimate kitchen performance.

VBP5, VBP7, VBP13, VBP15, VBP18 ARE IN STOCK AND READY FOR IMMEDIATE SHIPMENT.

Masterful design. Precision performance. State-of-the-art innovation. For over 150 years, Vulcan has been recognized throughout the world for top-quality, energy-efficient commercial cooking equipment that consistently produces spectacular results. Trust Vulcan to help make your foodservice operation run just right—every time.
