

A COMPLETE SOLUTION FOR CLEANER, FASTER, AND HEALTHIER GROOMING

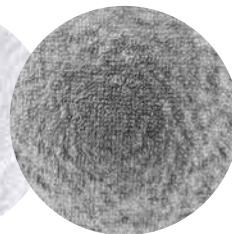

CleanGroom tackles the issues that are most important in this business: contamination in the salon, and long drying times. Designed with the wellness of groomers and pets in mind, CleanGroom utilizes state-of-the-art technology to create a cleaner and healthier working environment with faster turnaround times.

CARBON DUST FREE DRYERS

BEFORE AND AFTER

Prevents contamination of pet coats by carbon dust, and helps reduce harm to the groomer's lungs.

AIR FILTRATION

Creates a cleaner and healthier working environment by improving indoor air quality using HEPA technology.

WASHABLE NYLON FILTERS
captures hair, and is easy to clean and install

ACTIVATED CARBON FILTER
absorb odors and harmful chemical fumes

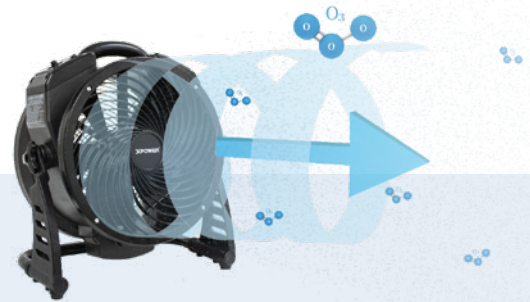

HEPA FILTER
airborne contaminant as small as 0.3 microns such as pet dander, dust mites, mold, bacteria and virus with 99.97% efficiency

HUMIDITY CONTROL

Faster drying times using commercial-grade dehumidifier to remove moisture from bathing pets.

ODOR REMOVAL

Hands-free, after-hours solution that neutralizes odor-causing bacteria and keeps the salon smelling fresh.

AIR ENHANCEMENT

An active scenting solution that rapidly fills any pet business with a fragrance, creating a perfect atmosphere for clients.

TOTAL SANITIZATION

Sanitizes easily and effectively with ultra-fine droplets, which stay in the air longer to eliminate bacteria and viruses.
