

EPP INSULATED FOOD PAN CARRIERS

FEATURES & BENEFITS

LIGHT WEIGHT, DURABLE EXPANDED POLYPROPYLENE

- Impact-, water-, and chemical-resistant
- Empty unit weighs roughly $\frac{1}{3}$ of hard sided pan carriers
- Recyclable and dishwasher-safe

EXCELLENT TEMPERATURE RETENTION

- Maintains hot or cold temperatures up to 4 hours
- Pair with a hot or cold pack to extend temperature retention time

EASY-TO-USE AND VERSATILE

- Built-in handles on all units for easy transportation
- Stackable with similar units
- Pair with transportation strap and dolly accessories to create efficiency when transporting multiple units
