**CAMBRO**  
TRUSTED FOR GENERATIONS™

[www.cambro.com](http://www.cambro.com)

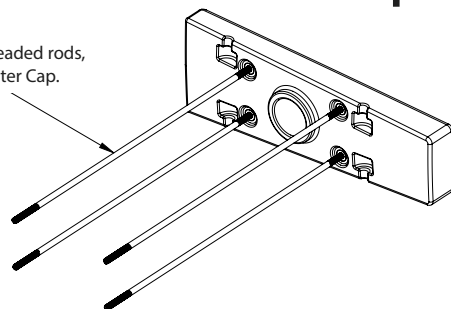

## Step 1

Remove the 4 fasteners then remove the Center Cap.

## Step 2

Insert 4 each threaded rods, 3/4" into the Center Cap.

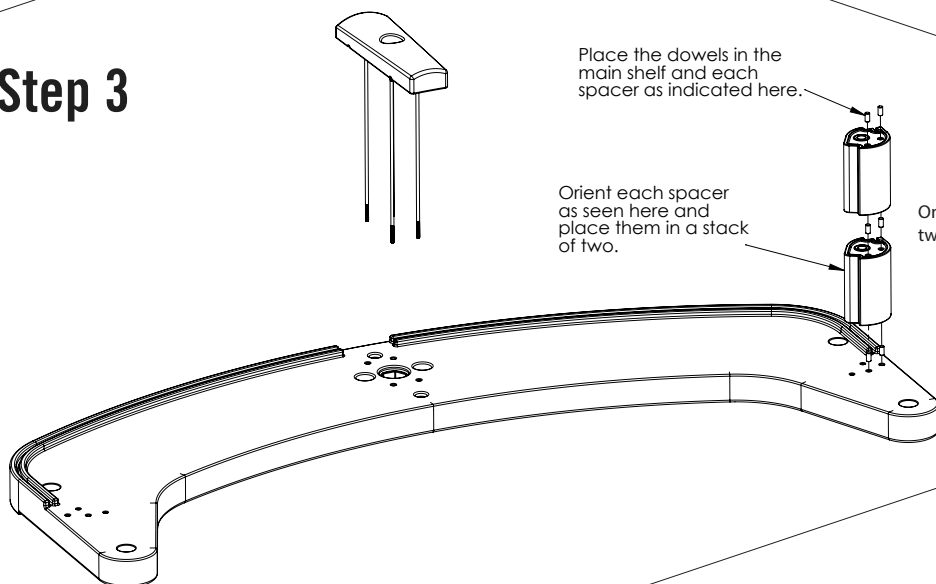

## Step 3

Place the dowels in the main shelf and each spacer as indicated here.

Orient each spacer as seen here and place them in a stack of two.

One for the 6" models, two for the 12" models

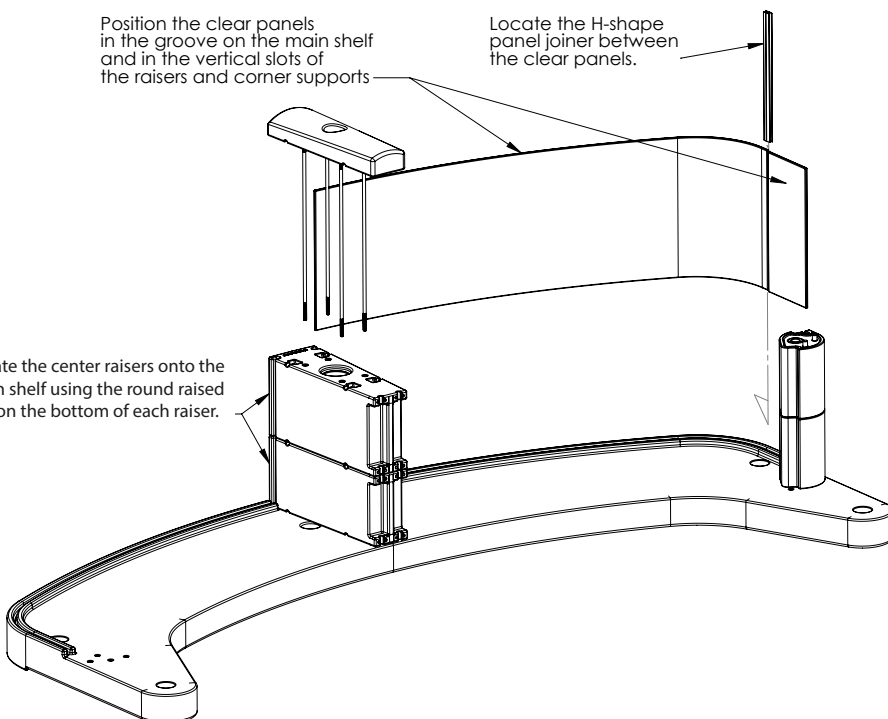

## Step 4

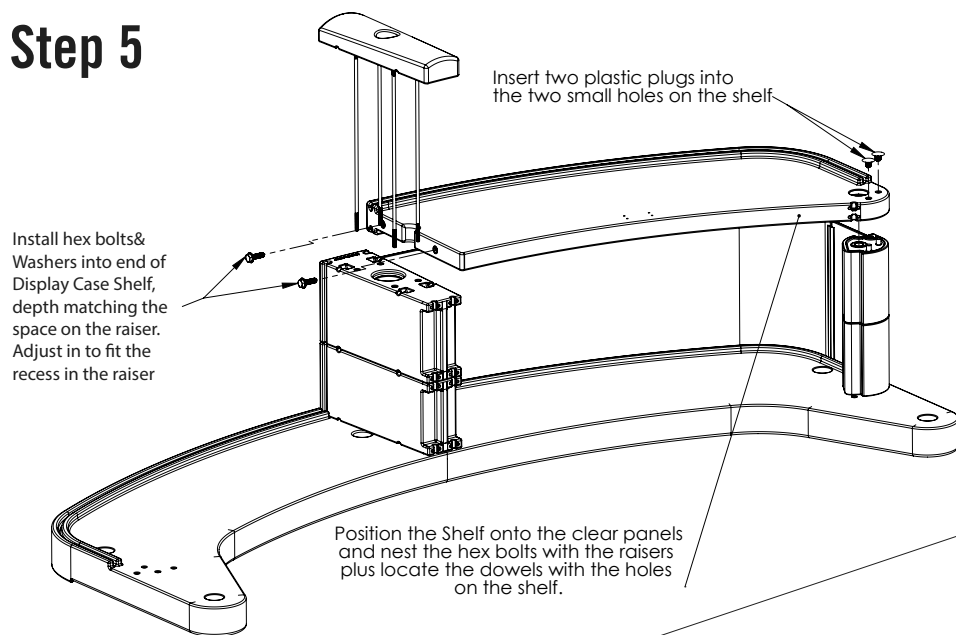

Position the clear panels in the groove on the main shelf and in the vertical slots of the raisers and corner supports

Locate the H-shape panel joiner between the clear panels.

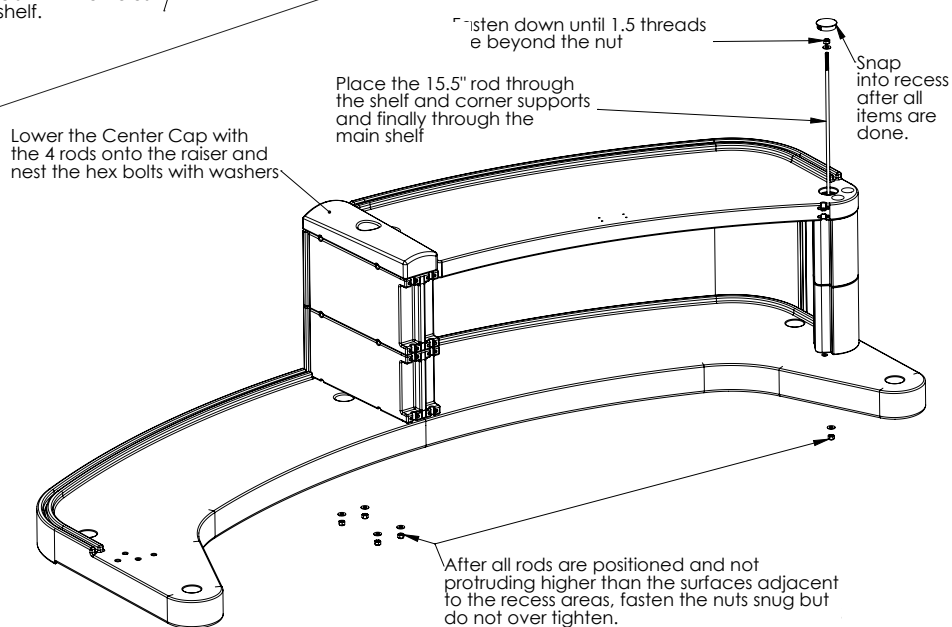

Locate the center raisers onto the main shelf using the round raised rim on the bottom of each raiser.

## Step 5

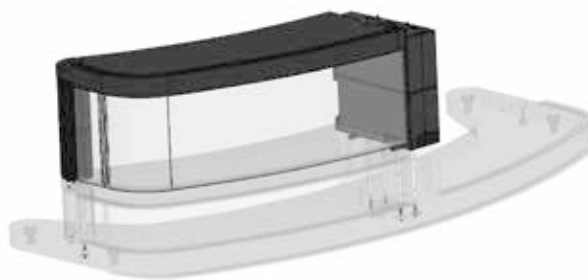

## Step 6

## II. Extender Installation / Side Shelves

# IV. Assembly / CVC75B

## X. Maintenance and Cleaning

**The Cambro Vending Cart should be cleaned regularly. Additionally, it should be cleaned before using if it has been idle for 5 days or more.**

### Vending Cart Body/Display Case/Extender/Compartments

Steam clean or wash with warm soapy water and a soft plastic or bristle brush. **NEVER** use a metal brush or abrasive cleaner. Scrub with brush, and rinse thoroughly with clean water. If staining occurs, any standard de-stainer such as Ecolab's "Dip It" should be used.

### Clear Plastic Sneeze Guard Shield

Wash the clear plastic shield with warm soapy water. Rinse thoroughly. Dry with soft cloth or soft paper towel.

### **NEVER** use alcohol, i.e. Windex, abrasives, any type of solvent or acetone

Alcohol based cleaners will cause the shield to crack.

### Vinyl Umbrella, Metal Umbrella Pole and Support Pole

Refer to your umbrella manufacturer care and maintenance manual.

## CASTERS

Caster maintenance should be performed after every cleaning.

1. Grease swivel raceway of caster using a lubricant such as Lubriplate #930-AA, Keystone #84EPXLT multi-purpose grease or equivalent. Apply grease using a grease gun with a needle nose adapter or a tube-type applicator such as Sta-lube Moly-graph Assembly Lube (Fig.6). These can be obtained at most auto parts stores.
2. Use a light oil such as WD-40 on the hub (Fig.7). Check caster for damage and test caster spin and swivel rotation before returning to service.

Fig. 6

Fig. 7

Scan to video on adjusting CVC Caster to fixed or swivel position.

## OPTIONAL ACCESSORIES

CODE	DESCRIPTION
CVC75LET	Left end table
CVC75RET	Right end table
CVC75DC6	6" tall display case
CVC75DC12	12" tall display case
CVC75DCE6	6" tall display case extender
CVC75DCE12	12" tall display case extender
CVC75LSRL	Lower shelves, set of 2

Case Pack: 2 CVC75LSRL Case Pack: 1

## XI. Replacement Parts

Please visit [www.cambro.com](http://www.cambro.com) for a complete list of replacement parts. The model number of the Cambro Vending Cart is required to determine the correct replacement part.

### TO ORDER REPLACEMENT PARTS:

- Call Cambro Customer Service at 800 833 3003 or
- Call International 714 848 1555
- Fax your order to 714 842 3430 or
- Call your local Cambro Representative or Distributor

## XII. Warranty

**Cambro warrants to the original buyer that if a product proves defective:**

1. Within 1 year from the date of manufacture, Cambro will replace the product free of charge; or,
2. After 1 year and up to 2 years from the date of manufacture, Cambro will grant a credit of 2/3 off replacement product; or,
3. After 2 years and up to 3 years from the date of manufacture, Cambro will grant a credit of 1/3 of the original price towards a replacement product.
