

Cantilever Umbrella Bases

ASSEMBLY INSTRUCTIONS

LANCASTER™
TABLE & SEATING

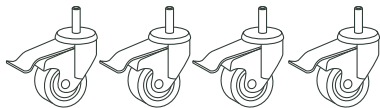

CAUTION

Due to the weight of these items, assembly should be performed by two people to prevent injury and/or damage. Use caution when lowering filled squares into place to avoid pinching fingers under the weight.

427CLBASE4PC

PARTS LIST

(4) Casters w/ Brakes

OPTIONAL CASTER INSTALLATION INSTRUCTIONS

1. Remove the base frame feet by unscrewing the bolts.
2. Insert the casters in their place. (Fig. 1)
3. Be sure to lock the casters before performing the following steps so the base stays in place.

INSTRUCTIONS

1. Place the base frame flat on the ground.
2. Fill each of the 4 squares with the desired amount of water or sand and place them in the frame. (Fig. 2)
3. Attach the cantilever umbrella mounting plate to the center of the base frame using the screws that come with the umbrella. (Fig. 3)
4. Once the screws are fully tightened, place the base cover over the mounting plate and umbrella base frame. (Fig. 4)

CAUTION

If filled with water, be sure to refill or top off weekly. During extreme heat, check daily.
