

Classic Country French Collection, Single Ply and 5 Ply

PROPER USE AND CARE INSTRUCTIONS:

- Before use clean and sanitize your Classic Country French Collection
- Use only metal safe detergents and sanitizers
- For heavily soiled conditions presoak in hot water and soap
- Do not scour or scrape
- Do not use abrasive cleansers or scouring pads. This may scratch the enamel finish.
- Do not use the Five Ply (Induction Classic Country French) with metal templates, tiles or drop ins
- Use only Single Ply (non-induction) for metal templates, tiles or drop ins
- Use on Induction (five ply) or Radiant Heat sources (single or five ply)
- Do not use on open flame or broiler
