

# AVANTE™ SERIES

Trash, recycling and compost receptacles

## KEY PRODUCT FEATURES

- Modular styles create flexible, space-efficient setups that can be easily reconfigured as needed
- Standard (55-gallon), narrow & shallow (30-gallon) capacities accommodate any space
- Enhanced ergonomics on standard unit includes a hinged door for easier, less frequent emptying
- Unique openings, stream identifiers and lid options for trash, recycling and compost
- Black canopy lid made with powder-coated steel for outdoor use
- Improved liner with tapered design, anti-vacuum holes and Grab Bag™ system for easy bag changes
- Heavy-duty polyethylene resists weather, UV rays, and graffiti
- Personalize panels and decals
- Units are backed by a 1-year, risk-free warranty
