

Hot Water Dispenser Faucet Assembly

Units made after July 2023 have a new faucet assembly. Check the serial number notes below to know which model you have.

If your unit's serial number begins with "HWD2G," use the old faucet assembly (177OLDHWTAP).

If your unit's serial number begins with "HWDD," use the new faucet assembly (177HWDDTAP).

Part	Part Item Number	Notes	Model
Faucet Assembly	177OLDHWTAP	Unit's serial number begins with "HWD2G."	Avantco HWDD2 2 Gallon Hot Water Dispenser with Digital Controls - 120V, 1800W (177HWDD2)
	177HWDDTAP	Unit's serial number begins with "HWDD."
