

**Model-Specific Compatibility Notes [11/08/2016]:**

**TWT-48:** Located on cabinet “not on door”. Surrounds door opening. Inserts into perimeter plastic. Includes the mullion strip #872990. 5 piece assembly.

**TSSU-48-12:** Located on cabinet “not on door”. Surrounds door opening. Inserts into perimeter plastic. Includes the mullion strip #872990. 5 piece assembly.

**TSSU-48-08:** Located on cabinet “not on door”. Surrounds door opening. Inserts into perimeter plastic. Includes the mullion strip #872990. 5 piece assembly.

**TSSU-48-8M:** Located on cabinet “not on door”. Surrounds door opening. Inserts into perimeter plastic. Includes the mullion strip #872990. 5 piece assembly.

**TSSU-48-12M-B:** Located on cabinet “not on door”. Surrounds door opening. Inserts into perimeter plastic. Includes the mullion strip #872990. 5 piece assembly.

**TUC-48G:** Located on cabinet “not on door”. Surrounds door opening. Inserts into perimeter plastic. Includes the mullion strip #872990. 5 piece assembly.

**TWT-48G:** Located on cabinet “not on door”. Surrounds door opening. Inserts into perimeter plastic. Includes the mullion strip #872990. 5 piece assembly.

**TUC-48F:** Located on cabinet “not on door”. Surrounds door opening. Inserts into perimeter plastic. Includes the mullion strip #872990. 5 piece assembly.

**QA-48-18MB:** Located on cabinet “not on door”. Surrounds door opening. Inserts into perimeter plastic. Includes the mullion strip #872990. 5 piece assembly.

**TSSU-48-12M:** Located on cabinet “not on door”. Surrounds door opening. Inserts into perimeter plastic. Includes the mullion strip #872990. 5 piece assembly.

**TSSU-48-18M:** Located on cabinet “not on door”. Surrounds door opening. Inserts into perimeter plastic. Includes the mullion strip #872990. 5 piece assembly.

**TSSU-48-10:** Located on cabinet “not on door”. Surrounds door opening. Inserts into perimeter plastic. Includes the mullion strip #872990. 5 piece assembly.

**TUC-48:** Located on cabinet “not on door”. Surrounds door opening. Inserts into perimeter plastic. Includes the mullion strip #872990. 5 piece assembly.

**TSSU-48-15M-B:** Located on cabinet “not on door”. Surrounds door opening. Inserts into perimeter plastic. Includes the mullion strip #872990. 5 piece assembly.

**TUC-GAL-48F:** Located on cabinet “not on door”. Surrounds door opening. Inserts into perimeter plastic. Includes the mullion strip #872990. 5 piece assembly.

**TWT-48F:** Located on cabinet “not on door”. Surrounds door opening. Inserts into perimeter plastic.

Includes the mullion strip #872990. 5 piece assembly.

**TSSU-48-18M-B:** Located on cabinet “not on door”. Surrounds door opening. Inserts into perimeter plastic. Includes the mullion strip #872990. 5 piece assembly.

**TSSU-48-15M:** Located on cabinet “not on door”. Surrounds door opening. Inserts into perimeter plastic. Includes the mullion strip #872990. 5 piece assembly.

**TSSU-48-8-LP:** Located on cabinet “not on door”. Surrounds door opening. Inserts into perimeter plastic. Includes the mullion strip #872990. 5 piece assembly.

**TSSU-48-10-LP:** Located on cabinet “not on door”. Surrounds door opening. Inserts into perimeter plastic. Includes the mullion strip #872990. 5 piece assembly.

**TSSU-48-12-LP:** Located on cabinet “not on door”. Surrounds door opening. Inserts into perimeter plastic. Includes the mullion strip #872990. 5 piece assembly.

**TSSU-48-12MB-LP:** Located on cabinet “not on door”. Surrounds door opening. Inserts into perimeter plastic. Includes the mullion strip #872990. 5 piece assembly.

**TSSU-48-15MB-LP:** Located on cabinet “not on door”. Surrounds door opening. Inserts into perimeter plastic. Includes the mullion strip #872990. 5 piece assembly.

**TSSU-48-18MB-LP:** Located on cabinet “not on door”. Surrounds door opening. Inserts into perimeter plastic. Includes the mullion strip #872990. 5 piece assembly.

**TUC-48-LP:** Located on cabinet “not on door”. Surrounds door opening. Inserts into perimeter plastic. Includes the mullion strip #872990. 5 piece assembly.

**TUC-48G-LP:** Located on cabinet “not on door”. Surrounds door opening. Inserts into perimeter plastic. Includes the mullion strip #872990. 5 piece assembly.

**TUC-48D-4-LP:** Located on cabinet “not on door”. Surrounds door opening. Inserts into perimeter plastic. Includes the mullion strip #872990. 5 piece assembly.

**TWT-48-LP:** Located on cabinet “not on door”. Surrounds door opening. Inserts into perimeter plastic. Includes the mullion strip #872990. 5 piece assembly.

**TUC-48F-LP:** Located on cabinet “not on door”. Surrounds door opening. Inserts into perimeter plastic. Includes the mullion strip #872990. 5 piece assembly.

**TUC-48D-2-LP:** Located on cabinet “not on door”. Surrounds door opening. Inserts into perimeter plastic. Includes the mullion strip #872990. 5 piece assembly.

**TSSU-48-12D-2:** Located on cabinet “not on door”. Surrounds door opening. Inserts into perimeter plastic. Includes the mullion strip #872990. 5 piece assembly.

**TSSU-48-18MB-D4:** Located on cabinet “not on door”. Surrounds door opening. Inserts into perimeter

plastic. Includes the mullion strip #872990. 5 piece assembly.

**TSSU-48-18MB-D2:** Located on cabinet “not on door”. Surrounds door opening. Inserts into perimeter plastic. Includes the mullion strip #872990. 5 piece assembly.

**TSSU-48-10-HC:** Located on cabinet “not on door”. Surrounds door opening. Inserts into perimeter plastic. Includes the mullion strip #872990. 5 piece assembly.
