

Model-Specific Compatibility Notes [12/29/2014]:

STA1F-1S: 3 chrome shelves standard per section in STA and STR models. Section is considered one full door area.

STG1F-1S: N/A

STR1F-1S: 3 chrome shelves standard per section in STA and STR models. Section is considered one full door area.

STA1R-1S: 3 chrome shelves standard per section in STA and STR models. Section is considered one full door area.

STG1R-1S: N/A

STR1R-1S: 3 chrome shelves standard per section in STA and STR models. Section is considered one full door area.

STG1F-2HS: N/A

STR1R-1G: 3 chrome shelves standard per section in STA and STR models. Section is considered one full door area.

STA1R-1G: 3 chrome shelves standard per section in STA and STR models. Section is considered one full door area.

STG1R-1G: N/A

STR1R-2HS: 3 chrome shelves standard per section in STA and STR models. Section is considered one full door area.

STA1R-2HS: 3 chrome shelves standard per section in STA and STR models. Section is considered one full door area.

STG1R-2HS: N/A

STR1R-2HG: 3 chrome shelves standard per section in STA and STR models. Section is considered one full door area.

STA1R-2HG: 3 chrome shelves standard per section in STA and STR models. Section is considered one full door area.

STG1R-2HG: N/A

STR1R-1HG/1HS: 3 chrome shelves standard per section in STA and STR models. Section is considered one full door area.

STA1R-1HG/1HS: 3 chrome shelves standard per section in STA and STR models. Section is considered

one full door area.

STG1R-1HG/1HS: N/A

STR1F-2HS: 3 chrome shelves standard per section in STA and STR models. Section is considered one full door area.

STA1F-2HS: 3 chrome shelves standard per section in STA and STR models. Section is considered one full door area.

STR1RPT-2HS-1S: 3 chrome shelves standard per section in STA and STR models. Section is considered one full door area.

STA1RPT-2HS-1S: 3 chrome shelves standard per section in STA and STR models. Section is considered one full door area.

STG1RPT-2HS-1S: N/A

STR1RPT-1S-1S: 3 chrome shelves standard per section in STA and STR models. Section is considered one full door area.

STA1RPT-1S-1S: 3 chrome shelves standard per section in STA and STR models. Section is considered one full door area.

STG1RPT-1S-1S: N/A

STR1RPT-1G-1S: 3 chrome shelves standard per section in STA and STR models. Section is considered one full door area.

STA1RPT-1G-1S: 3 chrome shelves standard per section in STA and STR models. Section is considered one full door area.

STG1RPT-1G-1S: N/A

STR1RPT-1HG/1HS-1S: 3 chrome shelves standard per section in STA and STR models. Section is considered one full door area.

STA1RPT-1HG/1HS-1S: 3 chrome shelves standard per section in STA and STR models. Section is considered one full door area.

STG1RPT-1HG/1HS-1S: N/A

STR1RPT-2HG-1G: 3 chrome shelves standard per section in STA and STR models. Section is considered one full door area.

STA1RPT-2HG-1G: 3 chrome shelves standard per section in STA and STR models. Section is considered one full door area.

STG1RPT-2HG-1G: N/A

STR1RPT-2HS-1G: 3 chrome shelves standard per section in STA and STR models. Section is considered one full door area.

STA1RPT-2HS-1G: 3 chrome shelves standard per section in STA and STR models. Section is considered one full door area.

STG1RPT-2HS-1G: N/A

STR1RPT-1G-1G: 3 chrome shelves standard per section in STA and STR models. Section is considered one full door area.

STA1RPT-1G-1G: 3 chrome shelves standard per section in STA and STR models. Section is considered one full door area.

STG1RPT-1G-1G: N/A

STR1RPT-2HG-2HG: 3 chrome shelves standard per section in STA and STR models. Section is considered one full door area.

STR1RPT-2HS-2HS: 3 chrome shelves standard per section in STA and STR models. Section is considered one full door area.

STG1RPT-2HG-2HG: N/A

STG1RPT-2HS-2HS: N/A

STA1RPT-2HS-2HS: 3 chrome shelves standard per section in STA and STR models. Section is considered one full door area.

STA1F-1G: 3 chrome shelves standard per section in STA and STR models. Section is considered one full door area.

STA1DT-2HS: 3 chrome shelves standard per section in STA and STR models. Section is considered one full door area.

STR1DT-2HS: 3 chrome shelves standard per section in STA and STR models. Section is considered one full door area.

STG1DT-2HS: 3 chrome shelves standard per section in STA and STR models. Section is considered one full door area.

STR2DT-2S: 3 chrome shelves standard per section in STA and STR models. Section is considered one full door area.

STA1-FPT-2HS-2HS: 3 chrome shelves standard per section in STA and STR models. Section is considered one full door area.

STA1FPT-1S-1S: 3 chrome shelves standard per section in STA and STR models. Section is considered one full door area.

STR1FPT-1S-1S: 3 chrome shelves standard per section in STA and STR models. Section is considered one full door area.

STA2DT-2S: 3 chrome shelves standard per section in STA and STR models. Section is considered one full door area.

STG1F-1G: 3 chrome shelves standard per section models. Section is considered one full door area.

STR1F-1G: 3 chrome shelves standard per section models. Section is considered one full door area.

STM1R-2HS: 3 chrome shelves per section is considered one full door area.
