

### When replacing a thermostat

If your unit's current thermostat has the word "AMETEK" printed on the green board corner, order 541030208.

If your unit's current thermostat has the word "FAST" printed on the green board corner (541030169), order the new-style thermostat (541030208). You must also order a new temperature probe (541170069) as well as a new temperature dial sticker (541124366) and mounting bracket (541150756). The old-style thermostat 541030169 is discontinued.

### When replacing a temperature probe

Order 541170022 if your unit's current probe has a white cord. If 541170022 is unavailable instead order the new retrofit probe (541170069), new thermostat (541030208), temperature dial sticker (541124366), and mounting bracket (541150756).

Order 541170069 if your unit's current probe has a blue cord.
