

# Refrigerated Sandwich Prep Table Compatibility Notes

To find your reference number, follow the directions based on how many digits are in your unit's serial number:

- **16-digit serial number**, the reference number is digits 9-12 of the serial number.
- **9-digit serial number**, look at the set of 8 numbers in the bottom right corner of the tag (not the serial number). Numbers 5-8 are the reference number.
