Maximize Productivity with a CPG Countertop Range / Chef Base Kit

3/4" rear gas connection readily connects to a natural gas supply or easily converts to liquid propane with an included orifice kit.

Choose between standard or step-up burner configurations to add extra cooking space and cook multiple dishes at once without cluttering the burners.

The convenient, built-in standing pilot offers instant ignition for an immediate flame whenever you need it.

Includes a full-width, removable waste tray for easy cleanup.

Each unit rests on 4 casters which offer convenient mobility and allow the unit to be moved away from the wall for cleaning.

Equipped with a back right 115V electrical connection, 1/6 hp compressor, and R290 refrigerant to cool the cabinet and electronic temperature controls.

Heavy-duty cast iron burner grates protect burners against clogs and are removable for easy cleaning.

The 1 3/4" insulated stainless steel top with marine edge contains drips and spills for easy cleanup.
