Maximize Productivity with a **CPG Griddle / Chef Base Kit**

3/4" rear gas connection readily connects to a natural gas supply or easily converts to liquid propane with an included orifice kit

Available with manual controls or thermostatic controls for precise temperature management.

The convenient, built-in standing pilot offers instant ignition for an immediate flame whenever you need it.

Includes a removable waste tray for easy cleanup.

Durable polished steel cooking surface is built to last and easy to clean

The 1 3/4" insulated stainless steel top with marine edge contains drips and spills for easy cleanup.

Equipped with a back right 115V electrical connection, 1/6 hp compressor, and R290 refrigerant to cool the cabinet and electronic temperature controls.

Two or four drawer options to meet your capacity needs

Each unit rests on 4 casters which offer convenient mobility and allow the unit to be moved away from the wall for cleaning.
