

Choice Paper Bags Customization

Customization Options:

Choice paper bags are printed using spot colors (not process CMYK), with a maximum of eight spot colors. Printing is available on the front, back, left, and right sides.

Artwork Requirements:

For print artwork sizing details, refer to this item's template in the Resources & Downloads section. Accepted file formats include PDF, AI, or EPS at 300 PPI or higher. Line thickness should not exceed 1 pt, and thicker lines are recommended for optimal results. Artwork must be scaled to the intended print size.

Lead Times:

Proofs are provided within one week. Once approved, production lead time is 10–12 weeks.

Fees and Policies:

- A plate fee is determined after the printer reviews your artwork and coverage selections. A Custom Quote representative will inform you of the fee before the proofing process begins.
- The plate fee is non-refundable once a proof has been generated.
- Plate fees are waived for reorders using the same design.
- The manufacturer follows a 25% over/under-run policy, meaning the final quantity may vary by up to 25% more or less than your order. If there is an under-run, you will receive a credit for the difference. If there is an over-run, you will be charged for the extra case(s).
- Customized items cannot be canceled or returned once approved.
