

The image below is an approximation of the final printed result. Please review this proof and ensure the product, logo and colors are correct. Thin lines and fine details may fill in when printed. For the best print quality, we may have altered your artwork. This may include increasing line thickness, increasing font sizes & removing fine details. We made these changes because we feel you will be happiest with the finished product.

Model 3008

MOCK-UP BELOW

SIZED ARTWORK BELOW

2" length X 1"

Max Print Area 2.0" x 1.0" is achieved when either a logo's width or height reaches the maximum dimension.
