

The Safest Seat in the House

3-Point Strap Harness

Additional permanent strap for crotch restraint

Recessed Warning Label

Front-facing recessed warning label for increased risk awareness

Stable Strap to Adult Chair

Higher strap for attaching to adult chair increases stability

Taller Backrest

Taller backrest reduces risk of slipping from adult chair

Solid Back

Solid back for increased sturdiness

Reduced Side Panels

Reduced thickness of side panels makes more room to place and lift child in and out of chair

Enhanced Shoulder & Waist Straps

Help to secure child in seat

Harness Securely Attached

Three-point harness attached through backrest panel for increased security
