## Stainless Steel Funnel

Durable and long lasting.

## Stainless Steel Construction

Gives a sleek appearance and makes it easy to clean and sanitize to prevent stickiness.

## Digital Screen

Easy to use, allows you to easily reprogram the machine to your chosen parameters.

## Compact Design

Occupies minimal countertop space, saving you room for other necessities.

## Convenience

Easily set up to brew by time or by volume.

## Hot Water Faucet

Easily dispense hot water for tea, cocoa, and other hot beverages.

## Programmable Energy Saver

Reduces the tank temperature during idle periods, helping you save energy and reduce operational costs.

## Automatic Operation

Connects to a 3/8" rear-mounted water line that fills the reservoir, eliminating the need to constantly refill.
