Subject: Vegan Statement – Baltimore, South Bay and Yonkers

January, 2019

To: All Domino Foods, Inc. Valued Customers:

In response to customer inquiries regarding the vegan status of products manufactured and distributed by Domino Foods, Inc.'s Baltimore, South Bay and Yonkers refineries, please note the following.

Our Baltimore, South Bay and Yonkers refineries do not utilize bone char for decolorization. These refineries also do not use any other animal ingredients or animal by-products in the manufacturing process, and the products manufactured at these facilities are not tested on animals. Given these conditions, all of the products manufactured by these refineries qualify as vegan.

We trust this information is sufficient. Should you require additional information, please feel free to contact us at QualityDocs-NA@asr-group.com.

Sincerely,

S. Michael Burchell

Senior Director Global Corporate Quality
