

## The Perfect Cost Savings Solution with a Great Sustainability Impact

- 12 fl oz replaceable bottles
- Easy to install, single unit bracket
- Tamper resistant dispensing pumps
- Reducing single-use plastic bottle waste
- Reduces liquid waste
- View strip to allow housekeeping to monitor fill levels
- Reduces daily restocking needed by housekeeping
- Economical, cost savings solution
- No drilling required, only tape and silicone
- Made in USA

Modern retail style bottles that attach securely to the wall on a hidden, tamper-resistant bracket. Replaceable bottles reduce product contamination.

### Example of Potential Savings

	1 oz	12oz	POTENTIAL SAVINGS	
Oz Cost per night:	\$0.21	\$0.29	-28%	
Oz Cost per year:	\$10.5k	\$2.5k	\$8k	
	1 oz	12oz		
Current use of bottles per year:	128	9	- 93%	
Lbs. of plastic per year:	1.75	1.02	- 42%	

Example based on 1 hotel with 150 rooms @ 70% occupancy  
Small bottle usage is based on 1 oz bottle per night night stay/guest  
Dovelok usage assuming 6 pumps per night stay/guest

Results may vary due to % of occupancy and usage rate
