

Drop Mat Shelving

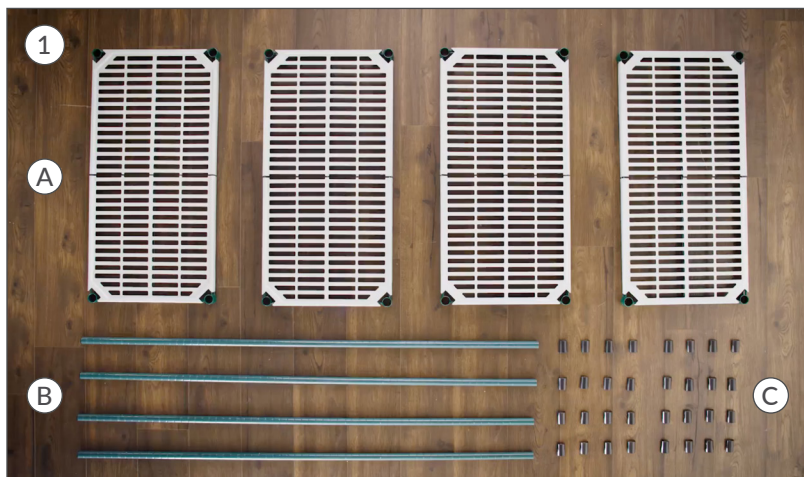

Assembly Instructions

TOOLS REQUIRED:

Rubber Mallet (not included)

PARTS INCLUDED:

- (A) (4) Shelves
- (B) (4) Posts
- (C) (16) Pairs of Split Sleeves

Assembly Instructions

1. Begin by laying out all the pieces on a flat surface.
2. **If assembling mobile unit:**
Attach casters to the bottom end of each post by pushing them in.
If assembling stationary unit:
Skip this step.
3. Clip the split sleeve onto a post at least 6" from the bottom. Repeat at the same height on all four posts.
4. Insert each of the posts into the four holes of one of the shelves.
5. Place the unit in an upright position and gently tap the shelf down with a rubber mallet to lock it in place.
6. Repeat this process for as many shelves as you have.

NOTE: Drop mats can be put through a commercial dishwasher for safe cleaning.
