

eSchwank Ghost Series

Sell Sheet

The eSchwank Ghost Series electric heater an invisible presence with visible warmth, nearly invisible design. Equipped with a durable carbon fiber heating element, this eco-friendly heater ensures efficient heating for both indoor and outdoor spaces.

Carbon Fiber Heating Element

Offering a longer lifespan.

Improvement over quartz medium wavelength infrared.

Eco-Friendly

Zero emissions - no direct CO₂ or NO_x emissions.

Discreet Design

Presence is almost invisible with a slim profile, and decorative front grille.

A powder-coated matte black finish.

Architectural aesthetic that seamlessly blends form and function.

Haunt Away the Cold

Engineered with medium wavelength infrared.

Fast even heating and rapid ramp-up.

Built with marine-grade aluminum and IP65 outdoor rated.

Mounting with Adjustable Angles

Low ceiling clearance requirements of 6".

Flexible angle mounting options for ceiling and wall mount for optimal heat direction.
