

**BPP5000-EX-001 - Essential Partition - 5' Extender Panel Retail Pricing: \$449.99 / Dealer Pricing 20% off of Retail: \$359.99**

The Essential Partition offers the same flexibility as the original SelectSpace Line at a lower price. Now, more restaurants can bring their indoor dining experience outdoors than ever before. The 5' Extender Panel kit features:

- Connects between two panels, eliminating the need for bases
- Works with hinges to allow the Essential Line to turn corners other than 90 degrees
- Can be converted into gate panels if needed by purchasing a gate hardware kit
- Hinges on both sides
- Made from high-quality galvanized steel
- Powder Coated with a sleek black finish
- Our exclusive honeycomb design provides a contemporary touch and blends seamlessly into any restaurant's decor.
- Easy installation
- 60" wide x 30.5" tall x 2.074" deep
- Panel height is adjustable up to 36"
- 26.729 lbs
- Material: 16 Gauge Galvannealed (0.064")
- Finish: black exterior rated powder coat AAMS 2604/2605 compliant
