ASSEMBLY INSTRUCTIONS

EHS5499

Remove all items from the carton. Verify all pieces before assembly.

STEP 1

Press the Casters (M) or Glides (N) into the holes at the end of each leg of the Base (J). Loosen the Foot Ring adjustable knob. Insert the bottom end of the Seat Post (L) into the Foot Ring. Now insert the bottom of the Seat Post (L) and Foot Ring (K) into the center hole of the Base (J). Tighten the Foot Ring Adjustable Knob.

STEP 2

Please be careful to use the correct SHORT Back Post Screw (F). Attach Back Post (E) to Backrest (A) using one Short Back Post Screw (F). Tighten securely using the enclosed Allen Wrench (O).

STEP 3

Please be careful to use the correct LONG Back Post Screw with Flat Washer . Insert Back Post (E) into rear of mechanism and secure using 3 Long Back Post Screws with Flat Washers and . Tighten securely using the enclosed Allen Wrench (O).

STEP 4

Please be careful to use the correct Back Post Cover Screws (H). Attach Back Post Cover (G) to Back Post (E) using two Back Post Cover Screws (H).

STEP 5

To attach your armrests, insert Left and Right Armrests (C) on the correct sides of the chair into the brackets located under each side of the Seat Cushion (B). Insert the Arm Width Adjustment Knobs (D) through the slots in the brackets into the hole in the arm. After the arms are set at your desired width, tighten securely. You may adjust the width of your armrests at any time. Please see the Arm Width Adjustment section of the enclosed Operating Instructions for directions.

STEP 6

Now turn the assembled seat upright and locate the center hole of the Mechanism over the Seat Post. Push down firmly until the connection is secure. Before using your chair, ensure that all the screws are tightened fully for safety. You can now enjoy the comfort of your new chair!
Note: Please keep the enclosed Allen Wrenches and check all screws every six months to ensure they remain tightly fastened.

PREVENTIVE MAINTENANCE AND WARNING!

- USE THIS PRODUCT ONLY FOR SEATING ONE PERSON AT A TIME.
- DO NOT USE THIS CHAIR AS A STEP STOOL / LADDER.
- DO NOT SIT ON ANY PART OF THE CHAIR EXCEPT THE SEAT.
- DO NOT USE CHAIR ON UNEVEN FLOOR SURFACES.

- FAILURE TO FOLLOW THESE WARNINGS COULD RESULT IN SERIOUS INJURY.
- NOTE: SOME SCREWS MAY BE PREASSEMBLED. IF PREASSEMBLED, IGNORE ASSEMBLY INSTRUCTIONS.

OPERATING INSTRUCTIONS

EHS5499

A. SEAT HEIGHT ADJUSTMENT

While seated, pull the Seat Height Adjustment Lever up and hold it while raising or lowering the seat to change the seat height.

(Please note, the Seat Height Adjustment Lever is on the right side of the seat).

When the lever is released, the seat height is locked.

The Seat Height Adjustment range of motion is approximately 9.4".

B. BACKREST HEIGHT ADJUSTMENT

To raise your backrest, slowly lift the back up until you hear a series of 4 to 5 clicks. Each click represents a position where the backrest will lock into place. To lower the backrest, raise the backrest all the way up until the tension is released.

The backrest will now return to the lowest position without stopping. Now repeat the previous steps to raise your backrest up to your desired position.

The Backrest Height Adjustment range of motion is approximately 2.8".

C. FOOT RING HEIGHT ADJUSTMENT

Loosen the adjustment knob on the Foot Ring.

Move the Foot Ring upward or downward to your desired height. Tighten the adjustment knob securely in your desired position.

OPERATING INSTRUCTIONS

EHS5499

D. ARM WIDTH ADJUSTMENT

To adjust the arm width, loosen slightly the knob holding each arm in place. Move each arm in or out to your desired width. After reaching your desired width, securely tighten the knob.

The Arm Width range of motion is approximately 2".

E. ARM HEIGHT ADJUSTMENT

While seated, locate the button under the front of the armpad. Press the button to raise or lower the height of the arms to your desired height.

The Arm Height range of motion is approximately 2.4".

OUR PROMISE.

They say with age comes wisdom. And while we've learned a lot since we sold our first office chair in 1979, even then we knew that superior craftsmanship and design are essential ingredients in delivering real value for our customers. All these years later, those three simple pillars still stand behind our promise of exceptional seating with every chair we sell.

DESIGN CRAFTSMANSHIP VALUE

Eurotech. Sit Smarter.

THE EUROTECH WARRANTY

- For all products except for 24/7 chairs (see below), Eurotech warrants to the original purchaser all components for the life of the product with the exception of upholstery and foam, which will be warranted for five years.
- For 24/7 chairs, Eurotech warrants to the original purchaser of all 24/7 chairs all components for 10 years with the exception of upholstery and foam which will be warranted for 2 years.
- Eurotech warrants to the original purchaser that all parts will be free from material defects. Eurotech will repair or replace, at its option, any unaltered components.
- Eurotech does not warrant any aftermarket hardware that is installed on the product.
- Eurotech's warranty is limited to the normal use of the product in a forty hour work week and a 250 lb. weight limit unless otherwise noted.
- Eurotech shall NOT be liable for consequential or incidental damage arising from any product defect.
- Eurotech's warranty is limited to replacement or repair and does not cover cost of transportation and labor. There are no other warranties expressed or implied other than those specifically described.
- Eurotech does not warrant customer's own material.

This warranty is made as of 9/15/16. Please see <http://www.eurotechseating.com/warranty-information> for any updates and/or revisions to this warranty.
