

GLOWEAR® HI-VIS:

CLASS 2 CATEGORY

When you're burning the midnight oil on interstate highways and byways, spelunking below the crust of the earth ferreting out the next great mother lode or fixing your burgh's energy grid during a blackout, you need to make sure you're visible. Highly visible. To avoid drama in the darkness, outfit yourself in our ANSI-compliant GloWear safety vest line and become a beacon unto others.

MORE SIZING OPTIONS FOR A JUST-RIGHT FIT

Word on the worksite was that hi-vis vest sizing was... inexact. Smalls were too large, larges were too small, cats and dogs living together, mass hysteria!

Well, by adding single size options to the mix, we've answered your call to accommodate those that were swimming in or squeezed by our traditional dual size options. Not too small, not too big... but juuust right. Call it the Glo-dilocks zone.
