Safe, Sanitary Disposal System

## Free Scensibles® Disposal Bag Dispenser Now Comes Standard with Most Period Product Vendors\*.

Menstrual care products are a necessity. So is proper disposal. Hospeco Brands Group is now the only maker of menstrual care products for the away-from-home market that packs a safe, sanitary disposal method, free, with most product vending machines. Under the new program, customers who order D1 and Evogen® sanitary pad and tampon dispensers get a free Scensibles® dispenser and Scensibles® personal disposal bag refill pack, in specially marked cartons.

Lightly scented, Scensibles® disposal bags have easy tie handles to safely dispose of used menstrual care products and feature a built-in antimicrobial additive that inhibits the growth of odor-causing bacteria on the bag, helping to keep restrooms smelling fresh. Refillable and compact, the bag dispensers are imprinted with instructions for use, making it clear not to flush products down the toilet.

Scensibles® Dispenser and Refill Pack

Scensibles® Dispenser and Refill Pack mounts easily on the side of the dispenser.

### Proper Disposal Matters. *Period.*

**FREE Scensibles® Disposal Bag Dispenser and Refill Pack included with this menstrual care dispenser.**

Please attach Scensibles® Dispenser to the side of the main menstrual care dispenser with the included double sided tape.

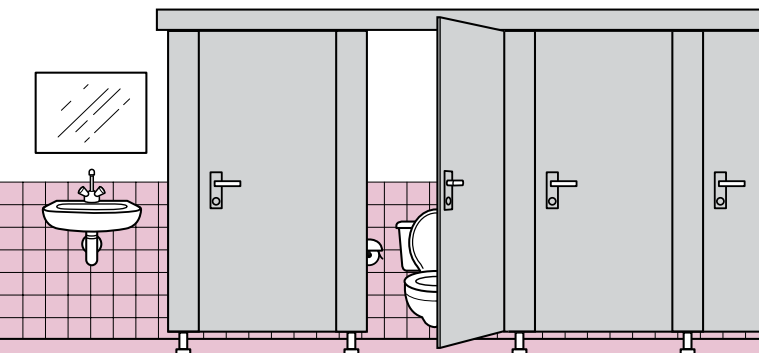

Scensibles® Disposal Bags conceal period product waste for safe and sanitary disposal.

Disposal bag use increases when Scensibles® Disposal Bag Dispensers are mounted in stalls next to waste receptacles. Additional Scensibles® Dispensers and refill packs sold separately. Contact your Hospeco Brands Group distributor for more information.

Scan For Installation Video

Vendor cartons including the Scensibles® Dispenser and Refill Pack are specially marked with this label. QR code links to installation video.

The positive impact the disposal bags have on restroom sanitation — should encourage building owners to add Scensibles® to every stall.

\*Free Scensibles® Dispenser program started with EV1-FREE in March and will roll out with other dispensers throughout 2023.
