OUR QUALITY & SERVICE ARE SIMPLY THE BEST.

Holland Bar Stool Company is not just an ordinary bar stool company. Founded on the principles of fine quality, craftsmanship, and service, our distinct design, production, and customization abilities have made us unique in the industry. Located in Holland, Michigan, our manufacturing facility has expanded into a variety of fields. What started out with a few styles of wooden stools over 25 years ago has become a full line of seating, tables, home décor, and recreation/game room products.

Industry respect of the HBS brand has allowed us to provide even greater value and opportunity to our partners. Over the years, we have obtained licensing for 125+ colleges and universities, The National Hockey League, all branches of the US Military, Indian Motorcycle, and now Major League Baseball. Each individual order is custom, digitally printed in-house using only top-of-the-line materials and equipment to provide unparalleled quality.

Our commitment to product development and capability expansion allows HBS to meet everchanging consumer demands. Our robust product portfolio includes:

- Stools
- Tables
- Wall Art and Décor
- Clocks
- Billiards
- Billiard Accessories (lights, cue racks, and triangles)
- Tire Covers
- Grill Covers
- Seat Covers
- Pool Table Covers
- Shuffleboard Covers
- TV Covers
- Game Tables

Create a complete game room with furniture, game tables and wall décor from the trusted industry leader, Holland Bar Stool Company.

Double Neon Clocks

15"

19"

Dimensions:

- Small Clock - 15" Diameter x 3 1/8" Deep
- Large Clock - 19" Diameter x 5" Deep

Neon Clocks

Show your team pride with our double neon logo clocks. Each clock features a chrome casing and specific team color neon outer accent ring. The custom printed clock face is illuminated by a brilliant white, inner neon ring. Pull chains located on the bottom of the clock make it easy to turn the neon on/off. The neon is powered by a UL listed transformer that runs off standard 120V outlet. Accurate quartz movement ensures proper time and is powered by a single, AA battery (not included). Beautifully crafted, quality neon clocks from Holland Bar Stool Company are a home run gift for any sports fan.

Product Features:

- PVC clock face digitally printed with UV inks for fade-free, vibrant graphics.
- Molded resin housing with high polished chrome finish.
- Two, hand-blown real glass neon rings.
- One Bright White neon ring on the inside to illuminate the clock face & time. One Colored Neon ring on the outside to accentuate logo/artwork.
- High-precision quartz clock with Sweep Technology (smooth and silent).
- Pull-chain neon lights on/off switch.
- Neon lights powered by UL listed A/C adapter (included).
- Clock requires one AA battery (not included).

INDOOR/OUTDOOR LED CLOCKS & THERMOMETERS

LED Clocks & Thermometers

LED Clocks & Thermometers

Holland Bar Stool Company's indoor/outdoor LED clocks and thermometers are the perfect way to show your team allegiance. Constructed to withstand the elements, the casing is made from a UV resistant black ABS plastic. The glass face lens is securely sealed with a rubber gasket to protect the internal structure and mechanics. Four LED lights are controlled by a photo eye to automatically illuminate when it's dark. The LED lights are powered by four D batteries (not included).

Logo/art is digitally printed with UV inks to ensure years of fade-free, vibrant color.

Product Features:

- Vibrant, full color, digitally printed UV inks.
- Outer UV resistant ABS black plastic casing suitable for indoor or outdoor placement. Fully weather resistant.
- Photo eye controlled, face-illuminating LED lights. Photo eye senses ambient light and automatically turns on/off.
- 14" round x 2.75" deep
- Battery powered (no outlet needed). Batteries not included.
- Thermometer: Factory calibrated to accurately measure temperatures from -40 to 140 Degrees Fahrenheit.
- Clock: High-precision quartz clock with Sweep Technology (smooth and silent). Requires single AA battery (not included).

Wood Clocks & Signs

Laser Engraved Clock & Sign

Digitally Printed Sign & Clock

Wood Clocks & Signs

Our decorative solid wood clocks and signs are the perfect way to add team spirit to your walls. Available in two options: digitally printed and laser engraved. The digitally printed option features a high gloss, black wood base printed with vibrant UV resistant inks. The laser engraved option features a natural wood base with a laser engraved logo image. Both styles include a recessed metal keyhole hanger in the back that allows for a flush wall mount.

Product Features:

- Multi-step finish process topped with a durable catalyzed lacquer.
- 13" diameter, 1" thick solid Beech Wood.
- Flush mounted keyhole hanger.
- Laser engraved or digitally printed with UV ink graphics.
- Clocks: High-precision quartz clock with Sweep Technology (smooth and silent). Requires single AA battery (not included).

Mirrors

Mirrors

Our one-of-a-kind wall mirrors have an elegant design. Colors burst through the 1/8" thick glass and are highlighted by the mirrored accents. Graphics are digitally printed on the backside of the glass to protect the integrity of the artwork and increase color vibrancy. Mirrors are framed with a black, 1 1/4" wrapped wood frame and include saw tooth hangers.

Product Features:

- Vibrant, full color graphics digitally printed with UV resistant ink.
- Second surface printing ensures artwork is fully protected.
- 1 1/4" matte black frame.
- Includes sawtooth hanger for easy hanging.
- Mirrored accents accentuate printed graphics.

Dimensions:

- Two Size Options:
17" x 22"
15" x 26"
- Weight: 4 lbs.

Canvas

Canvas

The digitally printed canvas puts your team front and center. These are a great addition for any room in the house. With its simple but eye-catching design, colors explode off the canvas allowing you to show off your team loyalty. Durable, treated canvas is digitally printed and wrapped around a wooden frame made with beefy, ¾" x 1.5" solid wood stretcher joined with triple v-nailed corners.

Product Features:

- Vibrant, full color logo digitally printed with UV/fade-proof inks resulting in long-lasting, high-resolution graphics.
- Solid wood stretcher frame - professionally stretched canvas.
- Durable, Artist grade, treated canvas.
- Black finished edging for added depth.

Dimensions:

- Size Options:
17" x 22"
15" x 26"
- Weight: 3 lbs.

Billiard Tables

Crafted from the finest materials, these professional quality billiard tables are sure to impress.

Product Features:

- 8' Table, double-arched cabinet with CNC routing accentuates laser engraved artwork.
- Superior construction with 14-step, furniture quality finish process.
- Available in Navajo or Chardonnay finishes.
- Professional quality with diamond pearl sites seamlessly inlaid on each rail for precision aim capabilities.
- 3-piece, diamond honed, 1" thick slate to ensure consistent ball play.
- Hainsworth Worsted Logo Cloth - Logo is dyed (not printed on top) into the cloth for perfectly smooth ball play.
- Leather embossed pockets with riveted nets compliment frame color.
- Choice of hand carved ball & claw or tapered style legs.

Dimensions:

- 98" L x 54" W x 32" H
- Weight: 726 lbs.

Shuffleboard Electronic Score Units

Shuffleboard Scoring Unit:

Rouse competition with this officially licensed electronic shuffleboard scoring unit! The digital numeric displays make keeping track of scores and rounds simple and fun. The unit has four color coded buttons to adjust scoring for each side, keep track of the round, and a button to clear the board. The unit mounts to the side of the game and the display stands approximately 32" over the playfield.

Table Bases:

- Second surface printing ensures artwork protection and vibrancy.
- Color-coded, push-button counter for 2-player scoring and game count.
- Support is 51" tall (top to bottom), and extends scoring unit approx. 1' over the playfield.
- Adaptable for almost any game.
- Mounting plate is 5 3/4"H x 3"W x 3/8"D and is mounted directly to the side of the game.
- UL Listed power supply.

Dimensions:

- 20.5"L x 3.5"W x 51"H
- 15 lbs.

Cue Rack Holders

Product Features:

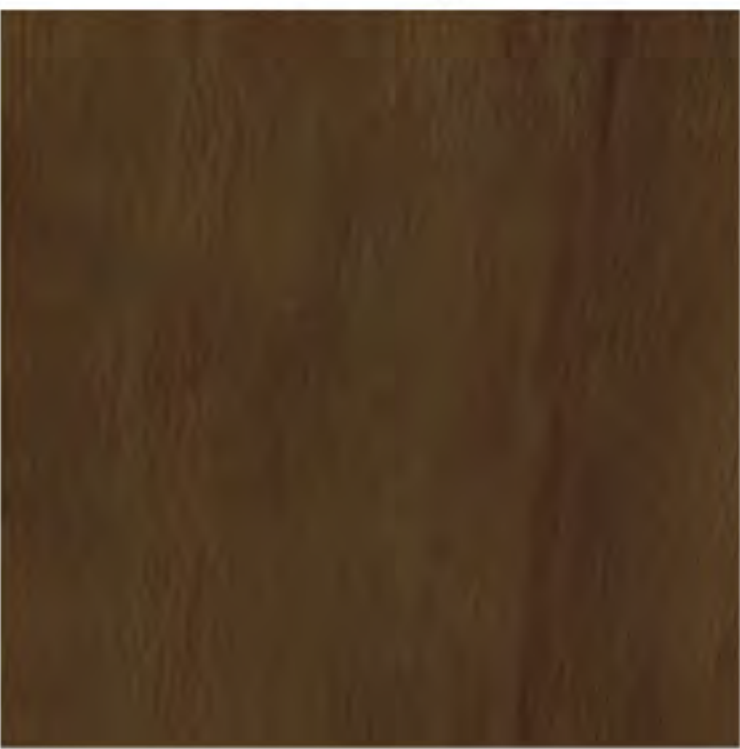

- Securely holds up to 8 cue sticks. Shelves can be used to hold chalk or other accessories.
- 1" thick solid beech wood (no veneers or particle board).
- Furniture quality, multi-step finish.
- Available in Navajo, Chardonnay, English Tudor, or Black finishes.
- 10 1/2" real mirrored glass with second surface UV printing to ensure artwork is fully protected and exceptionally vibrant (no stickers).
- Routed holes in upper section to secure and protect pool sticks (no damaging clips).
- Felt lining on lower shelf protects stick ends.
- Upper and lower sections include key-hole hangers. Includes hardware and instructions.

Billiard Table Cloth

Dress your pool table in luxury with logo billiard cloth from Holland Bar Stool Company.

Our cloth is manufactured by Hainsworth of England, the industry choice for installers and players. Only worsted cloth is used. Worsted cloth is a high-quality, woven wool yarn that is combed to remove short fibers. Its superior durability will not compress to form gullies on the table. The result is a smoother cloth that promotes faster, consistent ball play. The logo is dyed into the cloth resulting in a perfectly smooth, even play surface with no impact on ball play.

Hainsworth worsted cloth is unique. Its finer yarn means greater thread count per inch. Quality dye chemicals provide superior fiber coating to resist fading. Their extensive finishing process removes loose fibers to ensure the smoothest, flattest surface for increased ball speed and consistency. The durability, stretch and quality of fiber is checked at every stage of manufacturing. Only state-of-the-art modern manufacturing machinery is used to guarantee quality and construction of the cloth.

If you're looking to cover your new table or put new life into an existing table, look no further than the Hainsworth logo cloth from Holland Bar Stool Company.

Product Features:

- Manufactured by Hainsworth, the World Expert in Billiard Cloth.
- Worsted Cloth yields fast, consistent ball play. Will not pill up.
- Logo is dyed into cloth for a perfectly smooth, even play surface with no impact on ball play.
- Full cloth set means cloth will cover the table and rails.
- Exceptional durability, low maintenance, easy to clean.
- Available Sizes: 7', 8', 9'

Game Table Covers

Protect your game table and show your team loyalty with an Officially Licensed MLB cover. Our covers are hand-made in-house using commercial, woven-back, marine grade vinyl. Artwork is applied with a state-of-the-art printing process for the most detailed, durable logo possible. Protect your investment and ensure your table is ready for the next game with a quality, USA-made game table cover from Holland Bar Stool Company.

Product Features:

- State-of-the-art, digitally printed logo.
- Commercial grade, woven back marine vinyl protects table from spills, dust, etc. No lint residue left on play surface.
- Slit corners accommodate variations in table sizes and make covering a breeze.
- Exceptional durability, low maintenance, easy to clean.

Dimensions:

- 7' Billiard Cover: 88"L x 50"W x 12"H
- 8' Billiard Cover: 98"L x 54"W x 12"H
- 9' Billiard Cover: 110"L x 60"W x 12"H
- 12' Shuffleboard Cover: 148"L x 27"W x 12" H

Tire Covers & Tire Shades

Tire Covers & Tire Shades

Our tire covers and shades are all hand-made in our Holland, MI factory. Each cover is made to order for an exact fit to your specific tire size. Our state-of-the-art printing process uses UV resistant inks to ensure a detailed, durable, vibrant image that withstands direct sun exposure. The commercial grade, marine vinyl holds up in even the harshest weather conditions

Product Features:

- The only Exact-Fit cover with multiple sizes available to accomodate nearly all tires.
- Printed with UV resistant inks for long-term vibrancy.
- Commercial, marine grade vinyl.
- Bead-welt seam for added strength and sleek design.
- See website for sizing chart.

Tire Shades

Grill & TV Covers

Grill Covers

UV resistant inks are used to ensure exceptional durability to direct sun exposure. The vent on the backside allows the release of moisture from under the cover. A cinch clasp on each side of the cover allows a secure fit to your grill keeping it put even in the windiest of weather.

Product Features:

- UV resistant logo.
- All-weather, durable, marine grade vinyl. Low maintenance.
- UV, water, stain, tear, abrasion resistant.
- Moisture release/air circulation vent.
- Dual cinch clasps ensures secure fit.
- Made in USA.

Dimensions:

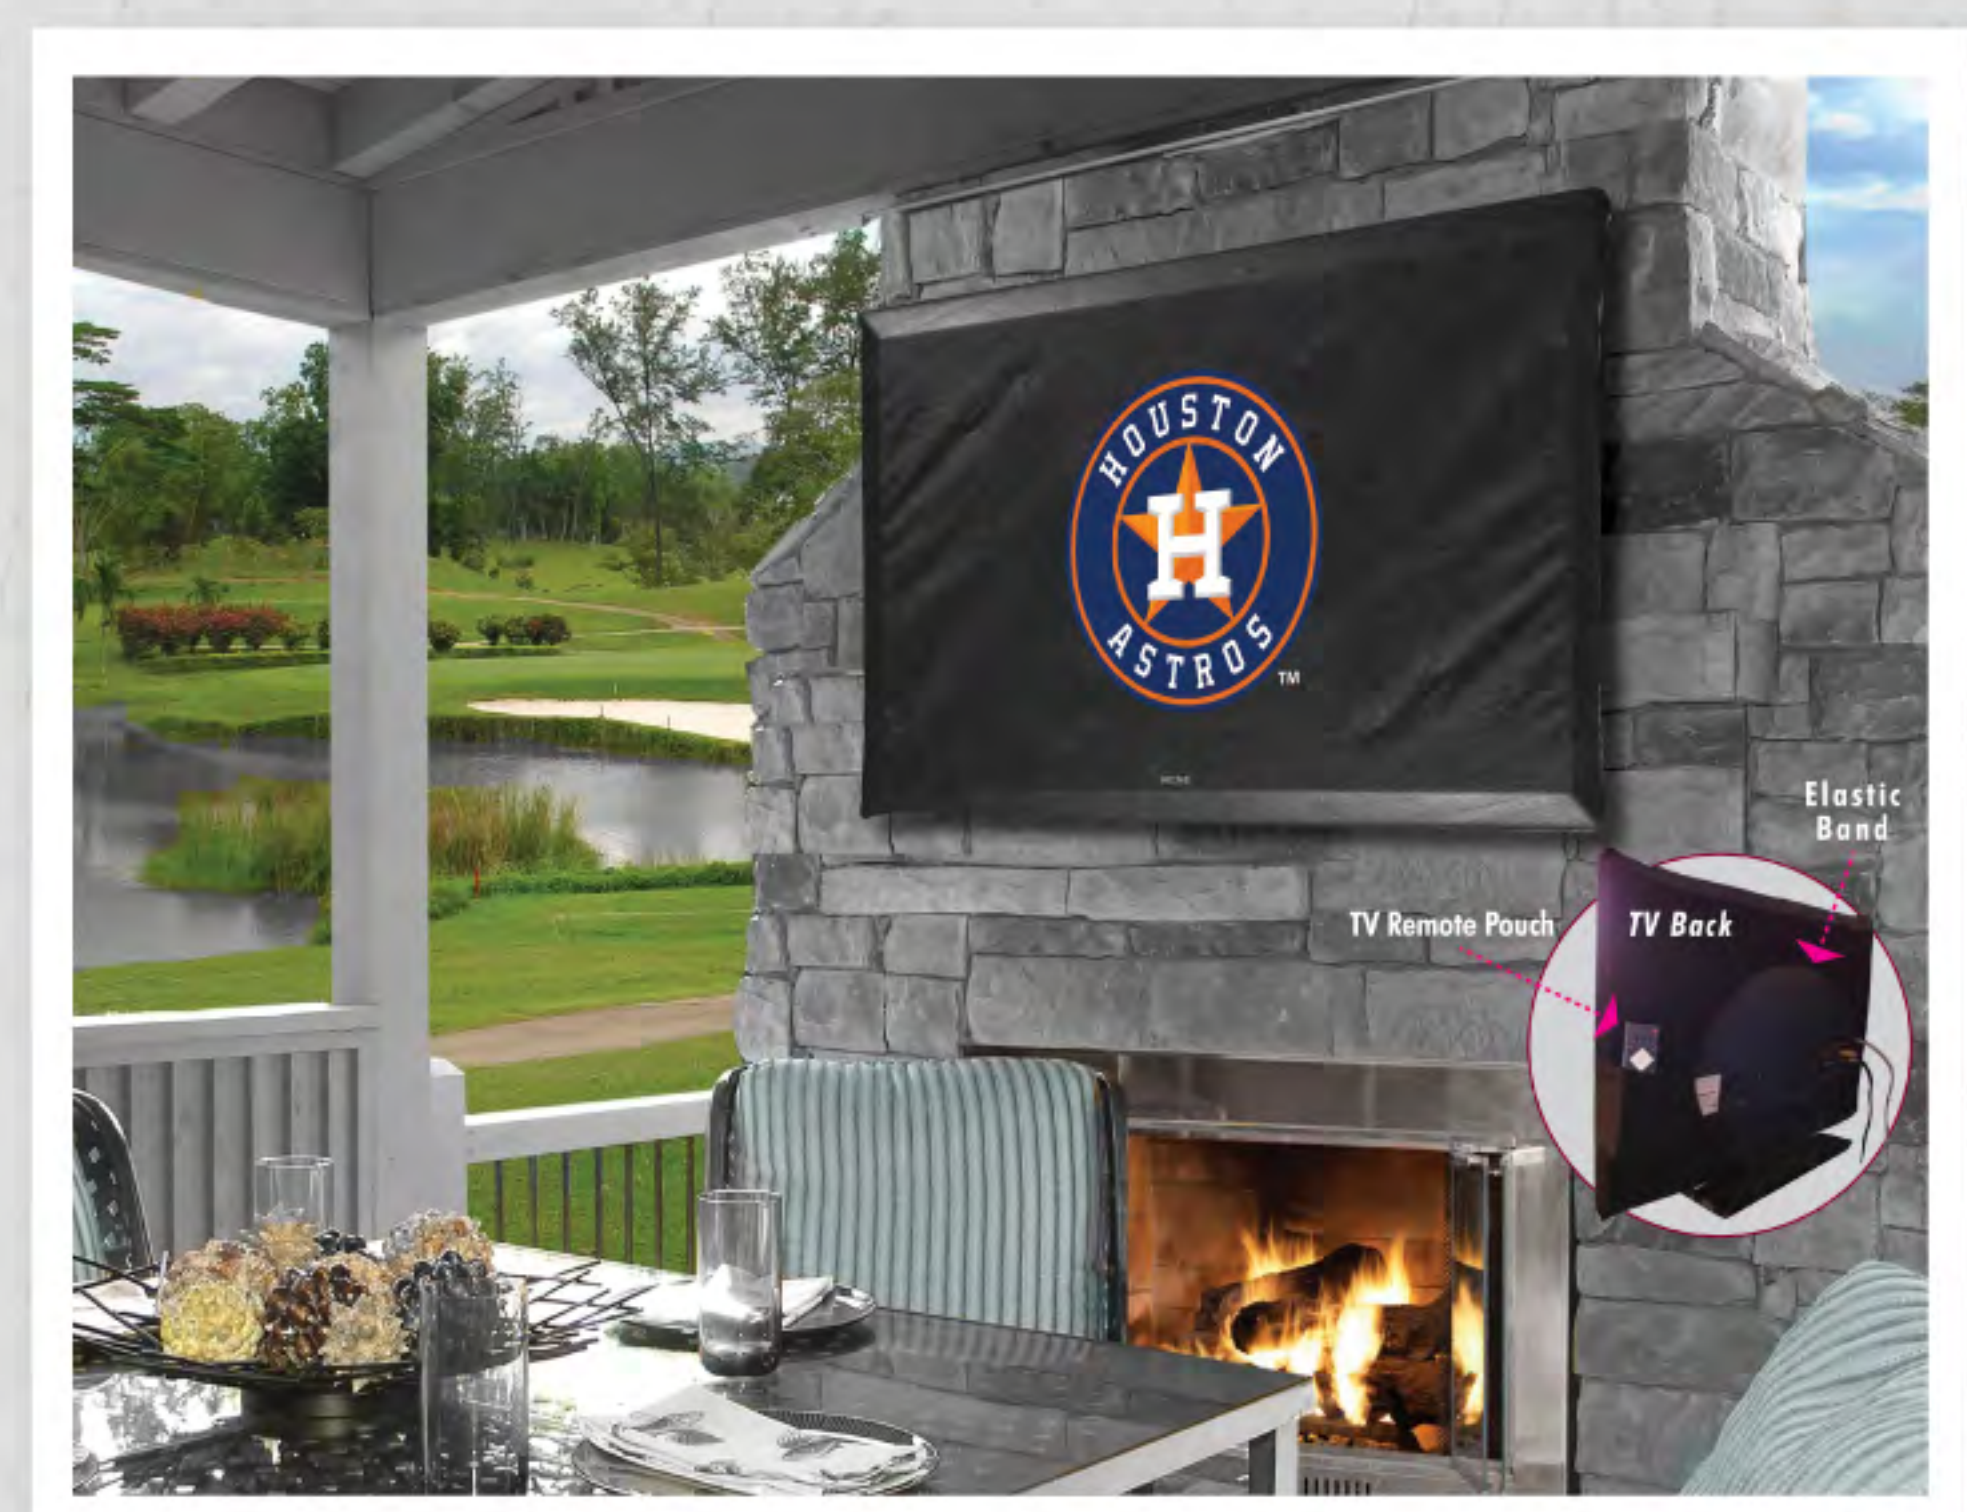

- 60" L x 36" H x 23" W
- 72" L x 36" H x 23" W

TV Covers

Protect your outdoor TV while not in use with this MLB TV cover. A state-of-the-art printing process ensures the most detailed, durable image possible able to withstand direct sun exposure and still look great year after year.

Product Features:

- Frame Size: 15.75"W x 23.5"H

LED Lighted Table & Stool

Dimensions:

- Stool: 17"W x 17"D x 30"H
- Stool Seat: 16.5" Diameter / 2" Thick
- Stool Weight: 28 lbs.
- Table: 42"H x 36" Diameter
- Table Weight: 47 lbs.

LED Stools & Tables

Exclusive LED lit furniture is now available from Holland Bar Stool Company! The black wrinkle, all-weather frame is constructed with commercial grade, electro-coated steel and includes self-leveling glides. The four interchangeable graphic panels are produced from durable Lexan, and are digitally printed with UV inks for crystal clear, vibrant graphics. The rechargeable LED light unit sits behind the panels and is controlled by an IR remote. The lights last up to 12 hours on a single charge. The remote control allows you to brighten, dim, and switch between 16 different static color options, or choose any of the 4 transitional settings (flash, strobe, fade, and smooth) and watch the colors rotate. If you are looking for something unique to spice up your porch, deck, patio, or even your man cave look no further than this all-weather indoor/outdoor lighted furniture.

Product Features:

- UV powder coated frame finish for excellent abrasion resistance and fade free all-weather performance.
- Self-leveling glides for stable placement on unstable surfaces.
- Interchangeable, Lexan, full color graphic panels digitally printed with UV inks.
- Rechargeable, fully sealed, multi-functional LED light.
 - Single charge lasts up to 12 hours
 - IR Remote Control
- Table available with choice of tops: 36" round team logo imprinted top (indoor only), 36" round Black Steel Enduro top (indoor or outdoor).
- Stools boast a substantial, 16 1/2" diameter seat with 2", high quality, dense foam covered with woven back marine grade vinyl.
- Residential lifetime swivel warranty.
