

How to Use

Note: It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Not Recommended for use on marble, unfinished wood, brass, and porous surfaces. For all surfaces test a small inconspicuous area first.

Perfect for cleaning: telephones, door knobs, nurseries, kitchens, highchairs, garbage cans. For heavily soiled or greasy areas pre-cleaning is required.

- **To Clean and Deodorize** – Spray on surface until thoroughly wet then wipe clean.
- **To Disinfect** – spray until thoroughly wet. Let stand for 10 minutes then wipe clean.
- **To Control Mold & Mildew** – Pre-clean hard, non-porous surfaces. Apply product to pre-cleaned surface. Let surface remain wet for 3 minutes and then allow to air dry. Repeat application at weekly intervals or when mold and mildew growth appears.

Storage and Disposal: Store in a cool, dry place that is inaccessible to small children. Keep securely closed. Non-refillable container. Do not reuse or refill this container. Discard in trash or offer container for recycling.

Precautionary Statements: Hazards to Humans and Domestic Animals.

Caution: Causes moderate eye irritation. Avoid contact with eyes or clothing. Wash thoroughly with soap and water after handling.

First Aid: Have the product container or label with you when calling poison control center or doctor, or going for treatment.

If In Eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses if present after the first 5 minutes, and then continue rinsing. Call a poison control center or doctor for treatment advice.
