

NEW AND IMPROVED LIDSAVER™ 3 DISPENSERS

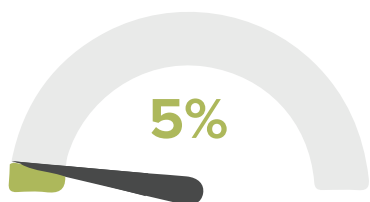

Eliminate the messy, unsanitary, and wasteful pile of lids that you often see at quick-serve operations. Our new dispensers continue to provide you with the same health and cost benefits that you've come to expect from our LidSaver Dispensers.

According to a recent study, 80% of all infections are caused by touch. Gain control of this situation with LidSaver.

SANITARY SOLUTION

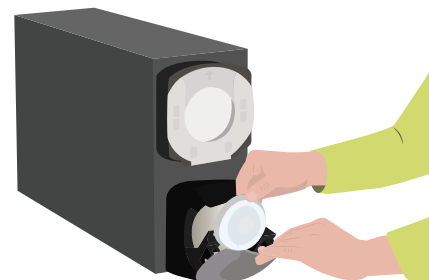

- Keeps operation clean and tidy
- Address consumers concerns

Only 5% of people wash their hands long enough to thoroughly remove harmful organisms.

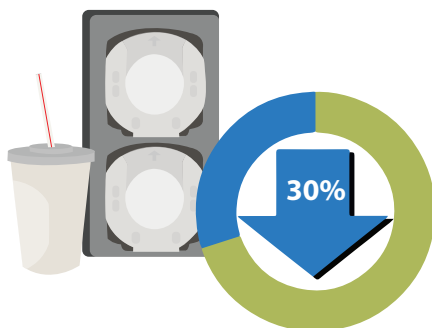

HYGIENIC

- Grab only one untouched clean lid at a time
- Keeps lids organized and sanitary

COST SAVINGS

- Save up to 30% on lid costs*
- Less labor to keep counters clean

EASY TO USE

- Fill beverages and put on lids using only one hand
- Door stays open for quick lid refill
