

4 CLEANING SURFACES PER GLASS

More than ANY
Glass Washer
on the market!

WHY **KissKleen**
Glass Washers

NO MORE Hand-polishing
means reduced chance
of breakage!

ELIMINATES cloudiness
due to hard water and
excessive chemical use

Add a **5 second pre-scrub**
to your glass washing procedure

Lasts 4 times **LONGER** than competitors!

Save time, labor, and
reduce the need to
re-wash!

LASTS LONGER

No electricity needed, no moving parts.
Easy to disassemble, clean & reassemble.

VERSATILE

Ideal for 3-sink systems and
a pre-scrub for dish machines.

SUSTAINABLE

Use before the dish machine
for less water consumption
and less chemical use.

CLEANS BETTER

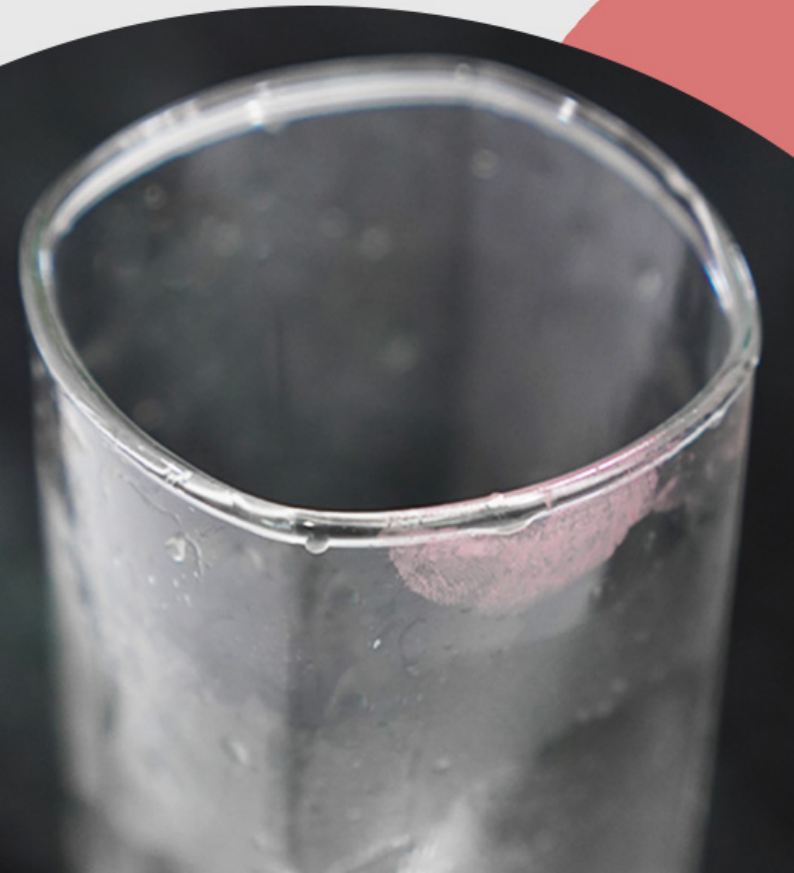

Four surfaces designed for
360 degrees of clean.

GREATLY reduces the need
to re-wash glassware

Eliminates embarrassing lipstick residue!
