NOTICES

Before you start, please read entire manual.

Kitchen Brains is not liable for any use of product not in accordance with Kitchen Brains™ installation and operation instructions.

If any problems occur, or if you have any questions about the instructions, contact Kitchen Brains toll-free at 1-800-243-9271.

Figure A

Locate and mark the center of the basket holder (flat side).

Figure B

Using the center line mark, use the probe mounting block as a template and mark the 2 holes that need to be drilled.

Drill the holes using a 5/32 drill bit and use the supplied screws to mount the probe mounting block to the basket holder.

Figure C

Place the probe stop collar onto the probe and slide probe into the probe mounting block.

Adjust the height of the probe so the probe tip is 2 inches into the oil.

Once the probe is at the correct height, tighten the probe stop collar using the supplied Allen wrench.

CAUTION: Do not let the probe cable sit over the fryer's flue. The temperature of the flue will melt the internal probe wiring.

Free Program for Service Exchanges

Kitchen Brains provides an Exchange Program, at no extra cost, if a unit should fail. In the event of failure, you have the option of (1) receiving a replacement product from our factory, freight prepaid; (2) exchanging the failed product for a replacement product at one of our authorized local service centers; or (3) selecting on-site repair or replacement of the failed unit by one of our authorized local service centers.

To take advantage of this program, simply call our toll-free customer service number, **1-800-243-9271**. If you elect to receive an exchange unit from the factory, a replacement unit will be sent immediately. Upon receipt of the replacement unit, simply return the failed unit to the factory, freight prepaid, using the same carton and packing material in which the replacement unit was shipped. The unit will be replaced free of charge, if still under warranty, and if the product shows no evidence of abuse or alteration. If the unit is not under warranty, you will pay repair charges and shipping costs to and from the factory.

Any minor adjustment or calibration and any labor costs for the replacement of probes will be made at your expense.

The Kitchen Brains™ Exchange Program is available to any Domestic Customer whose account is current, and applies to all Kitchen Brains™ Timers, Computers and Controllers.

WARRANTY

Kitchen Brains warrants all new timers, computers, and controllers for 1 year from the date of purchase including computers, controllers, and timers. Kitchen Brains warrants all other items for a period of 90 days unless otherwise stated at the time of purchase.
