Specifications	6
Care and Cleaning	6

3 LEVEL TABLE KIT ASSEMBLY

1. Position the table legs as shown in the illustration below.
The table tops snap into position on the table leg cross supports.

2. Install the lower table top first. Adjust table legs as needed.
Make sure the table top snaps firmly into position on the table leg supports.

3. Install the upper table top next.
Make sure the table top snaps firmly into position on the table leg supports.

4. Install both shelf surface brackets.

5. Slide the shelf onto the brackets to complete the installation.

2 LEVEL TABLE KIT WITH DISPLAY FRAME ASSEMBLY

1. Position the table legs as shown in the illustration at right. The table tops snap into position on the table leg cross supports.
2. Install the lower table top first. Adjust table legs as needed. Make sure the table top snaps firmly into position on the table leg supports.

3. Install the upper table top next. Make sure the table top snaps firmly into position on the table leg supports.

4. Install the arch beam supports by sliding rails at the base of the each arch pole into the table snaps under the top table surface.

5. Install arch beam by inserting into the arch beam supports.
6. Install thumbscrew on each side as shown.
7. Hang the chalkboard sign onto the arch beam with the hanger clips provided.

2 LEVEL QUARTER ROUND TABLE KIT ASSEMBLY

1. Position the table legs as shown in the illustration below.
The table tops snap into position on the table leg cross supports.

2. Slide the lower table top into position. Adjust table legs as needed so the snap-in brackets underneath the table top are lined up correctly over the lower table leg cross supports.

3. Once the lower table top is lined up, firmly press down on the table top to engage the snap-in brackets.

4. Install the upper table top last. Make sure the table top snaps firmly into position on the table leg supports.
