GO PRO WITH SAN JAMAR'S NEXT INNOVATION IN CLEANING **KLEEN-PAIL® PRO™**

NSF approved, Kleen-Pail Pro is dishwasher safe and designed to add ease and efficiency to any HACCP plan. The patented, curved shape and molded-in handles allow for more controlled pouring and carrying. Debris-catching ribs at the bottom of the pail trap excess dirt to keep it separated from the towel above. The embossed lettering ensures the pail complies with health code, and the trilingual design aids in employee training.
