## The Libbey 18/8 collection

### Inspired designs, exceptional durability

Our 18/8 selection delivers true investment-quality flatware that elevates the way your guests connect to the tabletop experience. Their added weight and strength create the impression of quality from the first touch. Made from type 304 stainless steel, our 18/8 offering features an 8-12% nickel content that gives stainless steel a brighter shine and additional protection against rust and corrosion.
