

EMBRACE

Designed for the culinary innovator, Embrace dinnerware from Playground inspires experimentation and playfulness with amorphous, nest-like forms. Each piece in the collection embodies the concepts of comfort and nature, giving a nod to its name as it curves protectively around your creations. A juxtaposition of light and dark, smooth and rough, this avant-garde dinnerware sets the standard for a unique presentation.

Features & Benefits

- Trend-forward dinnerware features amorphous, nest-like shapes that curve around each dish
- Smooth, interior glaze contrasts with naturally rough exterior for a tactile experience
- Interior glaze available in glossy black and light finishes
- Made of sustainable Eco-Gres® material, which consists of 90% recycled ceramic
- Explore other complementary Playground dinnerware and accessories in unique materials – like wood, slate and marble – that excuse rigid formality from the table, invite creative mixing and matching, and help you redefine fine dining
